TAPE #89

3/7/93

11:00 P.M. - 11:47 P.M.

1 (Tape 89)  
2 UNIDENTIFIED MALE SPEAKER: I guess, well,  
3 there's someone right that wants to talk --  
4 JOHN: Go ahead.  
5 UNIDENTIFIED MALE SPEAKER: -- that's willing  
6 to talk about it.  
7 JOHN: Who's that?  
8 UNIDENTIFIED MALE SPEAKER: Her name is Jean.  
9 She'll give you her whole name or whatever you want.  
10 JOHN: Okay.  
11 UNIDENTIFIED MALE SPEAKER: Yeah.  
12 JOHN: Go ahead.  
13 UNIDENTIFIED MALE SPEAKER: All right, just a  
14 minute.  
15 MS. BORST: Hi, John.  
16 JOHN: Hey, how are you?  
17 MS. BORST: Fine.  
18 JOHN: And who are you?  
19 MS. BORST: Mary Jean Borst.  
20 JOHN: Okay. Great. Listen, I had -- there  
21 was a Darren Lane Borst --  
22 MS. BORST: Yes.  
23 JOHN: -- called in, who I presume is your  
24 son, huh?  
25 MS. BORST: Yes, he's my son.  
JOHN: Okay. And several people have called

1 in and have not talked to me in particular, but they  
2 have --

3 MS. BORST: Pardon? I didn't hear you.

4 JOHN: I said several people have called in  
5 and have not talked to me in particular, but they have  
6 talked to people at the office and they were trying to  
7 look into the welfare of people, you know.

8 MS. BORST: Um-hum.

9 JOHN: Family members, loved ones that they  
10 knew were inside the Mt. Carmel and, and so I mentioned  
11 to both David and Steve that, that Darren had called  
12 and I'd like to be able to at least talk to you and say  
13 have someone talk to Darren afterwards and say we  
14 talked to his mother and everything's fine, you know,  
15 she sounded good, and anything that you'd like to, to  
16 pass on to him.

17 MS. BORST: Well, just tell him I'm fine and  
18 I just want to stay in here until God says to come out.

19 JOHN: Okay. Now, I do not have -- I've got  
20 a name of him, I, but I don't have a phone number. Do  
21 you, do you know what his phone number is?

22 MS. BORST: Now who's that? Darren?

23 JOHN: Darren's.

24 MS. BORST: No, I don't have it right now.

25 JOHN: That's all right. You know what, what  
city he lives in?

1 MS. BORST: Oh, yes, he's in Ames, Iowa.  
2 He's at the college there. The university in Ames,  
3 Iowa.

4 JOHN: Okay. But all I had was that he  
5 called in and, and he called in regarding you, and  
6 Steve told me earlier that, you know, yeah, you were in  
7 good shape, and I said look, let me talk to her so at  
8 least somebody from our organization can contact him.

9 MS. BORST: Right.

10 JOHN: And say, hey, we talked to your mom  
11 and everything's fine. She loves you and, and  
12 everything and she'll see you when --

13 MS. BORST: Okay.

14 JOHN: -- when the Lord determines that you.  
15 all are coming out, huh?

16 MS. BORST: Yes, that's what I'd like you to  
17 tell him.

18 JOHN: And, and -- well, that's what we'll  
19 tell him, too.

20 MS. BORST: Okay.

21 JOHN: And do you -- there are a couple  
22 things I wanted to pass by you.

23 MS. BORST: Um-hum.

24 JOHN: In talking with Steve and talking with  
25 David --

MS. BORST: Um-hum.

1           JOHN: He said that all of you, the women,  
2 the children and all the adults, everybody, were  
3 totally free to leave Mt. Carmel at any time they  
4 wanted to.

5           MS. BORST: That's right.

6           JOHN: And, and you understand that?

7           MS. BORST: Yes, I understand.

8           JOHN: And that if, if you all are staying in  
9 there, it's of your own volition, your own accord.

10          MS. BORST: Yes, that's right.

11          JOHN: And, and nobody's pressuring you to do  
12 anything. And I just want to let you know that, that  
13 nothing is going to happen to you staying in there.  
14 We're certainly not going to do anything, and, and we  
15 want to resolve this through talk.

16          MS. BORST: Right.

17          JOHN: That's -- and, you know, in a peaceful  
18 means. And, and if you desire to leave and, and walk  
19 down that road, you'll be greeted with open arms,  
20 believe me. And, and if you have any medical problems  
21 or anything else, it'll be taken care of. Do you have  
22 any children that have, that have already been released  
23 or anything like that?

24          MS. BORST: No, I don't have any children in  
25 here.

          JOHN: Oh, okay.

1 MS. BORST: Didn't have any in here, right.

2 JOHN: You have any other family members in  
3 there with you?

4 MS. BORST: No, I don't.

5 JOHN: Okay. All alone in there, huh?

6 MS. BORST: Right.

7 JOHN: Okay. Do, do you think the, the  
8 people in there are -- oh, I don't know how to describe  
9 it -- are fearful that we're going to come charging in  
10 there and hurt them or something like that? Because  
11 if, if you do, I want to allay those feels -- fears  
12 that it's not going to happen. I told them that one  
13 thing we are is patient. And we will, we will sit out  
14 here and wait and wait and wait, because we want to  
15 talk, we want to make it peaceful, we want people to  
16 get back with their loved ones and their family members  
17 and, and that's exactly the way we're going to handle  
18 it, you know.

19 MS. BORST: Um-hum.

20 JOHN: And I am with the FBI and if you have  
21 any questions as to what would happen when you come  
22 out, I'll be happy to answer them for you, you know.

23 MS. BORST: Okay.

24 JOHN: Or, you know, if you, if you have any  
25 questions, any fears, any concerns, feel free to ask  
them. I'll be happy to answer them.

1 MS. BORST: Okay.

2 JOHN: Anything I can answer for you?

3 MS. BORST: No, I don't believe so.

4 JOHN: Okay. Okay. Well, you sound all

5 right.

6 MS. BORST: Yes, I'm fine.

7 JOHN: That's good. That's good. And we'll

8 certainly get the message to your son in Ames, Iowa.

9 Boy, that's in the middle of the state, huh?

10 MS. BORST: Yes.

11 JOHN: Got to be some cold area up there

12 right now.

13 MS. BORST: Yeah, I'm sure it is.

14 JOHN: Okay. Do you have any other children

15 or, you know, a husband or anyone like that that you'd

16 like us to contact?

17 MS. BORST: Well, I have other relatives out

18 there, but if you'd just, you know, give the message to

19 Darren --

20 JOHN: Okay.

21 MS. BORST: -- he will, he will get in touch

22 with all of them, I know.

23 JOHN: Okay.

24 MS. BORST: So that would be fine.

25 JOHN: Do you know if anybody else has any

messages?

1 MS. BORST: Yes, I think there's someone else  
2 here that would like to talk with you.

3 JOHN: Great. Great.

4 MS. BORST: Okay. Thank you.

5 JOHN: Listen, you take care, huh, and I'll  
6 see you when you come, come out of there.

7 MS. BORST: Okay.

8 JOHN: All right.

9 MS. BORST: Thanks, John.

10 JOHN: Bye-bye.

11 (pause)

12 GRAEME: Hello, John?

13 JOHN: Yes.

14 GRAEME: My name is Graeme.

15 JOHN: Hey, Graeme Leonard Craddock.

16 GRAEME: That's correct.

17 JOHN: Okay. Let me tell you what we got.  
18 My name's John Cox and I'm with the FBI, Graeme. We  
19 had a Barry Craddock --

20 GRAEME: Yes, that's my brother.

21 JOHN: -- telephone. Okay. Let me just make  
22 a little note here, so I make sure -- I've got  
23 G-R-A-E-M-E as your first name, is that correct?

24 GRAEME: That's how it's spelled, yes.

25 JOHN: A-E-M-E. You've got a little cockney  
accent there, do you?

1 GRAEME: I don't know about that.

2 JOHN: From down under?

3 GRAEME: Yeah.

4 JOHN: Okay. And it's C-R-A-D-D-O-C-K.

5 GRAEME: That's correct.

6 JOHN: Okay. And, and he lives in

7 Townsville, Australia.

8 GRAEME: Townsville, Queensland, Australia.

9 JOHN: Australia. Okay.

10 GRAEME: That's right.

11 JOHN: And he called, he was interested in  
12 your, your well-being, and as, as I said to several of  
13 the people of I've talked to, when people call in, I  
14 talked to David, I've talked to Steve, and I said, I'd  
15 love to talk to these people so we can go back and, and  
16 say hey, we talked to your, talked to your brother, we  
17 talked to your father, your, you know, mother, sister,  
18 whatever the case may be. And in this case, we'll give  
19 your brother a call and let him know that we spoke to  
20 you and that you're healthy, I hope.

21 GRAEME: Yeah, I'm very well, thank you.

22 JOHN: Okay. How long have you been in  
23 there?

24 GRAEME: I, I came here, it was about 11  
25 months ago.

JOHN: Okay. Had a lot of excitement in the

1 | last week, huh?

2 |           GRAEME: Very much so.

3 |           JOHN: I'm sure you --

4 |           GRAEME: More than what I --

5 |           JOHN: Sure you didn't expect that 11 months  
6 | ago. That's a, that's a tragedy for both sides, you  
7 | know, it's just a terrible, terrible thing. Let me,  
8 | let me ask you something, and, just to reinforce  
9 | something here, to make sure that you're, you're  
10 | totally aware of it. In talking with David and talking  
11 | with, with Steve, they both said that everybody in  
12 | there, you know, men, women, children, are all free to  
13 | leave any time they want, it's up to them. There's no  
14 | pressure, there's no coercion, there's, you know,  
15 | nothing that would preclude them to leave if they want  
16 | to leave.

17 |           GRAEME: That's correct, yes.

18 |           JOHN: And that's the impression that you  
19 | have?

20 |           GRAEME: Yeah.

21 |           JOHN: That's true?

22 |           GRAEME: Yeah. Well, he's made the statement  
23 | numerous times at least in past months that anyone who  
24 | wants to leave can leave.

25 |           JOHN: Okay. What about in the past week?  
Since the incident last Sunday?

1           GRAEME: Well, I, I can only, only assume  
2 that he's never -- put it this way, he's never, I've  
3 never had any caution to stay, for me to stay here.

4           JOHN: Okay. Okay. So you're in there, you  
5 know, as a result of your own volition, your own free  
6 will.

7           GRAEME: This is my free will.

8           JOHN: Good. Good. Well, that, I just want  
9 to make it clear that should you want to leave, should  
10 you, you know, have that opportunity and the desire,  
11 whatever it might be, all you have to do is walk down  
12 the road and, and you'll be greeted with open arms.  
13 And, and I pointed out to Mary Jean Borst who I just  
14 spoke to and Rachel and all the others that I've talked  
15 to this evening, Jeff Little and David Thibodeau that  
16 hey, we have, we have a lot of patience. We, we are  
17 not going to come, come charging up there. We are  
18 going to sit out here and wait and wait and wait as  
19 long as it takes, Because we're going to resolve this  
20 through reason and we're going to resolve this through  
21 communications, through talking. So that it's a very  
22 peaceful resolution and nobody gets hurt, because too  
23 many people have been hurt already, you know. Are you  
24 there?

25           GRAEME: Yes, sir, someone just --

          JOHN: Somebody stepped on a wire, huh.

1 GRAEME: Yeah.

2 JOHN: I know they said if you look at that  
3 phone it'll click sometimes, I think.

4 GRAEME: Yeah.

5 JOHN: But I, but I hope you understand that.  
6 You'll pass that on to others that they should not have  
7 any fear of us coming in there. It's not going to  
8 happen. They may look out and see vehicles and they  
9 may see people and other things, but nobody is coming  
10 in there. I mean, that's the way we operate. That's  
11 the way we are. There are a lot of media people out  
12 there and we have the responsibility to ensure that  
13 nothing happens to these people, you know. Is there,  
14 is there anything I could tell your brother?

15 GRAEME: Oh, you can just, well, the only  
16 thing I, I can possibly tell him is, is that I'm doing  
17 fine.

18 JOHN: Okay.

19 GRAEME: I managed to get through the  
20 incident last Sunday totally unscathed, so.

21 JOHN: Weren't hurt at all, huh?

22 GRAEME: Not, not at all.

23 JOHN: Good. Now, I understand they're going  
24 to have a, a burial service tomorrow morning for Peter  
25 Ghent. I, I didn't know if you're aware of it or not,  
but either David or -- no, I guess Steven told me that

1 | they were going to have a burial service for him.

2 | GRAEME: Yeah.

3 | JOHN: Out across the road and I don't know  
4 | if they, if they were having any other burial services  
5 | out there or not, but --

6 | GRAEME: Um-hum.

7 | JOHN: I told them if, if they had some  
8 | other, other individuals that they wanted us to work  
9 | with them on, to just let me know, you know. But you,  
10 | you were not injured --

11 | GRAEME: Yeah.

12 | JOHN: -- in any way. Do you have any other  
13 | relatives that, that you'd want me to -- I, I don't  
14 | mean me as an individual but you'd want us to contact?

15 | GRAEME: Well, I'd, I'd assume my brother  
16 | would contact everyone else in, all my relatives back  
17 | in Australia.

18 | JOHN: Okay, all your relatives are in  
19 | Australia?

20 | GRAEME: That's correct, yes.

21 | JOHN: Okay. You married?

22 | GRAEME: No, I was, I've never been married.

23 | JOHN: How'd you dodge that bullet, huh?  
24 | How'd you avoid that?

25 | GRAEME: Oh, luck.

JOHN: (Laughs.) So no children then, huh?

1 GRAEME: That's true.

2 JOHN: Lord, Lord. Are you interested in  
3 leaving the compound at all?

4 GRAEME: Not at the moment, no.

5 JOHN: But if the, if, if the Lord's Word  
6 comes through --

7 GRAEME: We'll be --

8 JOHN: -- you'll be, you'll be leaving, huh?

9 GRAEME: Yeah.

10 JOHN: Well, like David told me, he said hey,  
11 I'm ready to leave any time. And he said it's just I'm  
12 waiting for the word. And we all are.

13 GRAEME: Yeah.

14 JOHN: We all are, because we don't want to  
15 see any more agony and any more anguish and any more  
16 tears shed. They were shed in there, they were shed  
17 out here.

18 GRAEME: Yeah.

19 JOHN: But, and it, and it just doesn't have  
20 to happen, you know.

21 GRAEME: Yeah, I, I can certainly, I'm into  
22 that too.

23 JOHN: Yeah. Do you, do you know of anything  
24 besides the word that would, that would help move this  
25 process along? Besides everybody packing up and going  
home. You know, that's just not going to happen, is

1 | it?

2 | GRAEME: No, not just at the moment.

3 | JOHN: Any suggestions? Any ideas?

4 | GRAEME: Well, I just hope everyone sort of  
5 | stays cool on the outsides of the thing.

6 | JOHN: Well, you, you got some, you got some  
7 | pretty cool heads out here, you really do. I mean,  
8 | some people may have said some crazy things had been  
9 | done before and some, oh, some juvenile activities, and  
10 | you know, 'cause I heard some guys were giving the bird  
11 | and mooning and, you know, things like that. But a lot  
12 | of that comes from frustration and anguish.

13 | GRAEME: Yeah.

14 | JOHN: And where I am, I hope, cooler heads  
15 | prevail. And I hope they do where you are too, because  
16 | I heard we got a report earlier this evening that there  
17 | was somebody up in the upper window on the front side  
18 | of the -- or on the end of building where the  
19 | construction is, up on the third floor, with a long-  
20 | barreled weapon, sticking it out the window there and  
21 | --

22 | GRAEME: Yeah, well, I was not too far from  
23 | that particular place, and you know, I'd just come  
24 | down, I think only a few minutes before, and there was  
25 | certainly nobody up there with any weapon of any, any  
sort.

1 JOHN: Nothing that you saw, huh?

2 (Electronic music in background.)

3 GRAEME: We've been cut off again.

4 JOHN: Hello?

5 GRAEME: Hello?

6 JOHN: Hello? Hello?

7 GRAEME: Just a minute.

8 JOHN: Okay.

9 GRAEME: Have you got it?

10 JOHN: I'm there.

11 GRAEME: Someone stepped on our cord again.

12 Sorry about this.

13 JOHN: But then David came back and just said  
14 somebody was taking a leak out the window or something,  
15 you know, but it was just a smart comment. I said hey,  
16 give me a break, you know.

17 GRAEME: Yeah, well, I don't --

18 JOHN: Some racial overtone there.

19 GRAEME: I just think someone was just  
20 looking out the window and some --

21 JOHN: Probab-- could be.

22 GRAEME: Somebody out there was watching us,  
23 got a little, little bit excited.

24 JOHN: It could have been. Hey. You got  
25 jumpy people on both sides, and we're trying to use  
some reason and trying to keep it as calm as it be, you

1 know.

2 GRAEME: That's very true.

3 JOHN: And I hope it'll, and I hope it'll be  
4 resolved soon and, and I know it'll be resolved  
5 peacefully. Like I, like I told David, I said I know  
6 you're coming out of there, and I know you're going to  
7 lead your flock out of there. It's not a question of  
8 if, it's a question of when. And, and I think we all  
9 know that.

10 GRAEME: Um-hum.

11 JOHN: Listen, is there anything else that  
12 you'd want me to pass on to anyone, huh?

13 GRAEME: Well, there's probably many things  
14 I'd, I'd probably like to --

15 JOHN: Well, if there's something --

16 GRAEME: But I can't think of anything at the  
17 moment.

18 JOHN: If there's something that you can  
19 think of, all you have to do is come up, pick up the  
20 phone and, and myself or someone else will be on the  
21 other end of the phone and, and we'll talk, we'll  
22 reason.

23 GRAEME: Okay.

24 JOHN: We just don't want anything other than  
25 a nice peaceful resolution here.

GRAEME: Okay, then.

1 JOHN: Okay, is Steven there or --

2 GRAEME: Yes, I could hand you back on to  
3 Steve if you like.

4 JOHN: Or anybody else that wants to talk to  
5 me.

6 GRAEME: All right, just hang on a second.

7 JOHN: You bet. Good talking to you.

8 SHERRI: Hello?

9 JOHN: Hi.

10 SHERRI: Hi.

11 JOHN: Who's this?

12 SHERRI: This is Sherri.

13 JOHN: Sherri Jewell.

14 SHERRI: You already knew.

15 JOHN: Is that correct?

16 SHERRI: That's correct.

17 JOHN: Well, the only reason I knew is that  
18 somebody called and I don't know if it was a Mr. Mosher  
19 or a Mrs. Mosher.

20 SHERRI: Probably Mrs. Mosher.

21 JOHN: I, I just don't know. What would her  
22 first name be?

23 SHERRI: Ruth.

24 JOHN: Ruth, okay, 'cause the reason I ask is  
25 all I have is a last name. Called and said her  
daughter Sherri Jewell, and, and all we, and all I have

1 | is a phonetic S-H-E-R-R-I-E J-E-W-E-L-L. Is that  
2 | correct?

3 |           SHERRI: Well, that's close enough.

4 |           JOHN: Is it accurate.

5 |           SHERRI: Well, it's close enough.

6 |           JOHN: Okay. That is inside. And she was  
7 | concerned. And as I told David and as I told --

8 |           SHERRI: Well, if you ever get -- are you  
9 | going to be talking with her again?

10 |           JOHN: Someone will.

11 |           SHERRI: Okay.

12 |           JOHN: I won't tell you that I am, because --

13 |           SHERRI: Well, whoever --

14 |           JOHN: But someone will.

15 |           SHERRI: Whoever does, just give her this  
16 | message.

17 |           JOHN: Okay.

18 |           SHERRI: Matthew 24.

19 |           JOHN: Okay.

20 |           SHERRI: And that's it.

21 |           JOHN: That's it?

22 |           SHERRI: That's it.

23 |           JOHN: And she will know what that means?

24 |           SHERRI: She will understand.

25 |           JOHN: Well, are you okay?

          SHERRI: I am terrific.

1 JOHN: Okay.

2 SHERRI: As far as terrific can be.

3 JOHN: Well, under the existing conditions,  
4 huh?

5 SHERRI: Absolutely. Yeah.

6 JOHN: Okay.

7 SHERRI: Listen, what, what kind of job do  
8 you have there? What's your title?

9 JOHN: What's my title?

10 SHERRI: Yeah, what, what's, what are you?

11 JOHN: I'm an FBI agent.

12 SHERRI: Okay, that's your title?

13 JOHN: Yeah. Special agent with the FBI.

14 SHERRI: Oh, special agent. What, what --  
15 you're married?

16 JOHN: You bet.

17 SHERRI: How many kids do you have?

18 JOHN: Three.

19 SHERRI: Three!

20 JOHN: Yeah.

21 SHERRI: How old are they?

22 JOHN: How many kids do you have?

23 SHERRI: Enough to keep me busy.

24 JOHN: Do you have more --

25 SHERRI: So you have three, so you have three  
kids.

1 JOHN: Do you have more than three?

2 SHERRI: Well, you answer my questions first.

3 JOHN: Okay.

4 SHERRI: You have three kids.

5 JOHN: Yes, I do.

6 SHERRI: How old are they?

7 JOHN: Uh-oh, you're going to make me think  
8 now, aren't you, huh, put me on the --

9 SHERRI: Hey, listen, you're talking to a  
10 school teacher here, and I'm real interested in --

11 JOHN: You're going to put me on the spot,  
12 okay.

13 SHERRI: Okay.

14 JOHN: Hang on.

15 SHERRI: Is there a 20 and 25, something like  
16 that, or 15? I don't know.

17 JOHN: Be, be patient, I'm get, I'm going to  
18 give you answer, I'm --

19 SHERRI: Oh, I'm real patient.

20 JOHN: I'm scratching the little hair that's  
21 left up here.

22 SHERRI: Oh, you have little hair on your  
23 head?

24 JOHN: No, I got plenty.

25 SHERRI: Oh, I see.

JOHN: It just gets thin after awhile.

1           SHERRI: Okay.  
2           JOHN: 18.  
3           SHERRI: 18.  
4           JOHN: 23 in a week.  
5           SHERRI: 23 in a week.  
6           JOHN: And 26.  
7           SHERRI: You mean you could, you can't hardly  
8 remember.  
9           JOHN: Hey, what can I say.  
10          SHERRI: Now, John, that's not too, too cool.  
11 Well, see, I was pretty close --  
12          JOHN: They say the mind's the first thing to  
13 go, right?  
14          SHERRI: Uh-huh, yeah.  
15          JOHN: Huh?  
16          SHERRI: Yeah. Yes, it sure is.  
17          JOHN: (Laughs.)  
18          SHERRI: Yeah, I was pretty right. You had  
19 two kids in the 20's and one in the teens, right?  
20          JOHN: You've got it.  
21          SHERRI: See, I thought so. So what do these  
22 -- they're in college?  
23          SHERRI:  
24          JOHN: You're, you're a psychic, huh?  
25          SHERRI: No, I'm just -- I can tell by your  
voice.

1 JOHN: You can? Why?

2 SHERRI: Yeah.

3 JOHN: How old did you think I was?

4 SHERRI: Well, you're probably in your, I  
5 don't know, late --

6 JOHN: Yeah?

7 SHERRI: Late 40's? 50's? (Laughs.)

8 JOHN: Oh, wait a minute now. Wait a minute.  
9 Late --

10 SHERRI: Anyway, so you're, you're -- do they  
11 go to college?

12 JOHN: I'm, I'm mature.

13 SHERRI: That's for sure.

14 JOHN: There you go.

15 SHERRI: Okay. They go to college?

16 JOHN: No, none of them.

17 SHERRI: None of them!

18 JOHN: One's graduated from college.

19 SHERRI: Okay, the 25-year-old.

20 JOHN: The, yeah, 26. He's 27, yeah.

21 SHERRI: I was, I'm pretty close. 26, okay.

22 JOHN: And then one of them is in the service  
23 and one's of them's in high school.

24 SHERRI: And the -- okay, so the 18 is just  
25 barely, almost out of high school.

JOHN: Almost.

1 SHERRI: And the one that's -- almost.

2 JOHN: Almost.

3 SHERRI: Barely.

4 JOHN: What's, what grade did you teach?

5 SHERRI: I taught -- well, I've taught K  
6 through college.

7 JOHN: Have you really?

8 SHERRI: I sure have. I was a --

9 JOHN: The, the K's, the one's, and the two's  
10 are more fun than the others though, aren't they?

11 SHERRI: No, actually I like college the  
12 best.

13 JOHN: Do you?

14 SHERRI: Yeah. Actually I really do. I was,  
15 I was in Hawaii. Well, I'm, I'm from Hawaii  
16 originally.

17 JOHN: Aloha.

18 SHERRI: And I was dean of students and  
19 faculty.

20 JOHN: Really?

21 SHERRI: Um-hum.

22 JOHN: That's great.

23 SHERRI: And I really didn't like it too --  
24 oops, are you still there?

25 JOHN: Yeah, somebody just stepped on the  
wire, huh.

1 SHERRI: You got it.

2 JOHN: Where were you dean of students?

3 SHERRI: In Hawaii. In one of the colleges  
4 there.

5 JOHN: Really? 'Cause I had a, I had a  
6 neighbor's son that got a basketball scholarship to the  
7 University of Hawaii at Hilo.

8 SHERRI: Oh, uh-huh.

9 JOHN: Loved it.

10 SHERRI: Oh, of course. Anybody that goes  
11 there does.

12 JOHN: I'm surprised it didn't take him ten  
13 years to get through college, huh?

14 SHERRI: Oh, yeah.

15 JOHN: At the, at a location like that.

16 SHERRI: Professional, professional college  
17 person, huh?

18 JOHN: Hey. Well now he's, he's graduated  
19 but that had to be a great way to go through college.

20 SHERRI: Hum.

21 JOHN: In an environment like that.

22 SHERRI: So your 18-year-old --

23 JOHN: Yeah.

24 SHERRI: What school does he go to?

25 JOHN: Well, he goes to a public high school.

SHERRI: A public high school.

1 JOHN: Yeah.

2 SHERRI: Do you like it? I mean, you know.

3 JOHN: Fine. Excellent.

4 SHERRI: Really?

5 JOHN: Yeah.

6 SHERRI: Okay, so it -- does he, has he done

7 any --

8 JOHN: What is this, 20 questions on John?

9 We're going to get John's background tonight here, huh?

10 SHERRI: No, I would, I would like to --

11 yeah, I mean, you, you've been asking other people

12 questions and I'm the one that likes to ask questions.

13 JOHN: Well, go ahead.

14 SHERRI: Okay. Okay, so your 18-year-old,

15 does he like computers?

16 JOHN: To a limited amount, I guess.

17 SHERRI: Come on, Dad, you mean you never,

18 you don't know these things?

19 JOHN: To a limited amount. You know, he's

20 not the, a computer whiz. You know, that's not, I

21 would say, his biggest interest. But he, he is

22 computer-literate, yeah.

23 SHERRI: Oh, that's good. Yeah, 'cause

24 they're starting them real young.

25 JOHN: Hey, it's tough if you're not, isn't

it?

1               SHERRI: It sure is. Sure is. Well, that's  
2 good.

3               JOHN: So --

4               SHERRI: So how long you been married?

5               JOHN: Longer than you, if I've got --

6               SHERRI: Well, that's true. I mean, you're a  
7 lot older than I am.

8               JOHN: If I've got one that's 26 years old,  
9 I've married for a while, haven't I?

10              SHERRI: Yeah, probably -- one woman?

11              JOHN: You bet, is there any other way?

12              SHERRI: Oh, 20, 20, 24 years. 25 years.

13              JOHN: You better keep going.

14              SHERRI: To 30 years.

15              JOHN: Almost, almost.

16              SHERRI: Oh, yeah, it would have to be.

17 Yeah, let's see, 25, 25 --

18              JOHN: Hey, the way I look at it, you're only  
19 supposed to be married to one.

20              SHERRI: Well, I don't know, King David had  
21 quite a lot of wives.

22              JOHN: Yeah, the --

23              SHERRI: And look at Solomon, a thousand  
24 wives?

25              JOHN: -- King David I've been talking to for  
the last several nights had a few too, huh?

1 SHERRI: Solomon. Well, if you knew the  
2 prophecies, you would understand a little bit more.

3 JOHN: Well, it's interpretation there,  
4 that's all.

5 SHERRI: But I understand -- well, if you're  
6 a good listener, you'll learn something.

7 JOHN: I --

8 SHERRI: Did you learn about the first seal?

9 JOHN: I have been learning about the first  
10 seal.

11 SHERRI: That's good. Where's it found?

12 JOHN: The second seal.

13 SHERRI: Well, where, wait a minute, where's  
14 it found?

15 JOHN: The third seal.

16 SHERRI: Where's it found?

17 JOHN: The fourth seal.

18 SHERRI: Well, where's the first seal found?

19 JOHN: Where is it found?

20 SHERRI: Yeah.

21 JOHN: In the, in Psalm 45.

22 SHERRI: And all the psalms. So how many  
23 psalms are there?

24 JOHN: Uh-huh, what is this, a quiz, a little  
25 test in theology tonight?

(Laughter in background.)

1               SHERRI: No. But if you, you know, if you --

2               JOHN: I don't profess to be a theologian,  
3 believe me.

4               SHERRI: Oh, I don't either, let me tell you,  
5 I'm far from it.

6               JOHN: Yeah, but how long have you been with  
7 David?

8               SHERRI: Well, I've been studying anyway for  
9 --

10              JOHN: For how many years?

11              SHERRI: Let me think now? Six? About six  
12 years.

13              JOHN: Well, see, I've been studying for  
14 about three or four days.

15              SHERRI: And I bet you're learning a lot,  
16 aren't you? More than you've ever learned with anybody  
17 else.

18              JOHN: Well, I can't say that.

19              SHERRI: -- I can --

20              JOHN: But, but it's been a learning  
21 experience, because it's been something totally new to  
22 me.

23              SHERRI: Well, I know. The, it's really,  
24 it's extremely, extremely important.

25              JOHN: Oh, I know, I know. And it's --

              SHERRI: Okay, so there's, there's -- I'll

1 | tell you. There's 150 psalms.  
2 |           JOHN: Uh-huh.  
3 |           SHERRI: And each of those psalms are really  
4 | important. 'Cause that's --  
5 |           JOHN: Hey, I'm sure they are, the whole  
6 | book's important.  
7 |           SHERRI: Well, so that, that covers the first  
8 | seal. Where's the second seal found?  
9 |           JOHN: Revelation.  
10 |          SHERRI: No. Well --  
11 |          JOHN: No?  
12 |          SHERRI: No, you got to, it's found --  
13 |          JOHN: Revelation Chapter 6, verse 3 to 4.  
14 |          SHERRI: Very good. Now, where is it found  
15 | in the Prophets?  
16 |          JOHN: Oh, you're going to put the pressure  
17 | on now, huh?  
18 |          SHERRI: No, but it's, you know, you -- if  
19 | you were shown where these, these seals are, you need  
20 | to know where they are in the prophecies. I mean,  
21 | that's what, that's what Revelation 10 says. In the  
22 | days of the voice of the seventh angel, when he begins  
23 | to sound, the mystery of God will be finished, as it  
24 | hath been declared by the servants, the prophets. I  
25 | mean, has been already.  
          JOHN: Yes.

1                   SHERRI: So if all these prophets saw  
2 something --  
3                   JOHN: Uh-huh.  
4                   SHERRI: And if you know what the prophets  
5 saw.  
6                   JOHN: Uh-huh.  
7                   SHERRI: It's already been declared. God  
8 declared it.  
9                   JOHN: Okay.  
10                  SHERRI: So where's the second seal found?  
11                  JOHN: I'm going to draw a blank here.  
12                  SHERRI: No, don't draw a blank.  
13                  JOHN: Why?  
14                  SHERRI: I can hear you turning those pages.  
15                  JOHN: No, I'm not.  
16                  SHERRI: No?  
17                  JOHN: I might be turning some wheels slowly.  
18                  SHERRI: Um-hum. Got your Bible there?  
19                  JOHN: You bet.  
20                  SHERRI: Okay. There better be --  
21                  JOHN: Then I could tell you I'm turning  
22 pages, huh?  
23                  SHERRI: Yeah, you better, yeah. I'll give  
24 you a hint, it starts with a Z.  
25                  JOHN: Zechariah.  
                  SHERRI: Very good.

1 JOHN: How's that?

2 SHERRI: So what's --

3 JOHN: I'm learning a lot this week, aren't  
4 I?

5 SHERRI: Yeah.

6 JOHN: This is, this is -- David doesn't have  
7 time to give John a Bible lesson tonight, so somebody  
8 else will, huh, Sherri?

9 SHERRI: (Laughs.) Well --

10 JOHN: Yes?

11 SHERRI: Okay, so you have -- did you find  
12 Zechariah?

13 JOHN: Well, sure.

14 SHERRI: So what did you learn from the  
15 second seal?

16 JOHN: That there was a red horse.

17 SHERRI: That there was -- right.

18 JOHN: And a rider.

19 SHERRI: Okay.

20 JOHN: And the power was given to him to take  
21 peace from the earth.

22 SHERRI: Well, so --

23 JOHN: And they should --

24 SHERRI: What was the reaction of all --

25 JOHN: And they should kill one another, and  
he was given --

1           SHERRI: Well, no.

2           JOHN: -- a great sword.

3           SHERRI: Yeah. But in Zechariah what does it

4 say?

5           JOHN: I don't know, what's it say?

6           SHERRI: Well, what was the reaction of the

7 whole earth when the horses went to and fro throughout

8 the whole earth? What was the reaction of the people?

9           JOHN: Tell me.

10          SHERRI: No, you got to find that.

11          JOHN: I do?

12          SHERRI: You said you knew the first seal and

13 "I was shown the second seal," and now you were going

14 on to the third --

15          JOHN: Well, I was.

16          SHERRI: I know, but you got to back up.

17          JOHN: I mean, we were going a mile a minute.

18          SHERRI: I know you were.

19          JOHN: Lord...

20          SHERRI: But we don't have that much time.

21          JOHN: It, it took you how --

22          SHERRI: This is time no longer.

23          JOHN: It took you how many years for this?

24          SHERRI: I know, it took a long time. But

25 some people have come here and learned it --

          JOHN: And, and --

1               SHERRI:  -- in less time than you have.

2               JOHN:  I doubt it.

3               SHERRI:  No.

4               JOHN:  I doubt it.  They didn't come in --

5               SHERRI:  How about a day-and-a-half?

6               JOHN:  -- totally, you know, new.

7               SHERRI:  Well, Robert --

8               JOHN:  -- in a day-and-a-half.

9               SHERRI:  Robert got it all.  Well, not all, I  
10 wouldn't say all.

11              JOHN:  I don't think so.

12              SHERRI:  But he got a lot.

13              JOHN:  And not in a day-and-a-half, either.

14              SHERRI:  Well, he got at one Sabbath, boy, he  
15 got a lot.

16              JOHN:  Huh?

17              SHERRI:  He got it at one Sabbath when he was  
18 here.

19              JOHN:  He did.

20              SHERRI:  Oh, yeah.

21              JOHN:  Huh.

22              SHERRI:  So clear.  And by the way, did you  
23 ever find him?

24              JOHN:  Did I ever find him?

25              SHERRI:  Yeah.  He was supposed to call here.

              JOHN:  Who was?

1 SHERRI: Robert Gonzales.  
2 JOHN: He's not calling there.  
3 SHERRI: How come?  
4 JOHN: Because, as I explained to David, and  
5 I'll, I'll be happy to explain to you, if you're --  
6 SHERRI: Well --  
7 JOHN: -- if you had some interest in it.  
8 SHERRI: Well, I'm kind of --  
9 JOHN: That Robert is no longer in this area,  
10 that Robert --  
11 SHERRI: Fled --  
12 JOHN: -- has -- pardon me?  
13 SHERRI: Fled --  
14 JOHN: No, he didn't, he didn't flee, he had  
15 some difficulties about this entire situation, and that  
16 it was best that he not be around.  
17 SHERRI: He really could see something, huh?  
18 JOHN: He what?  
19 SHERRI: Could he see something in what was  
20 being taught?  
21 JOHN: It had nothing to do with religion  
22 that he had difficulties with.  
23 SHERRI: Hum.  
24 JOHN: It was difficulties with what happened  
25 last Sunday.  
SHERRI: Well, what happened last Sunday? I

1 | mean as far --  
2 |           JOHN: Where were you?  
3 |           SHERRI: As far as his difficulty is  
4 | concerned.  
5 |           JOHN: Where were you? You don't have any  
6 | feelings?  
7 |           SHERRI: I was standing right there.  
8 | Actually I went, I was right there in the front porch  
9 | when he came here --  
10 |           JOHN: Uh-huh.  
11 |           SHERRI: -- and handed me that paper.  
12 |           JOHN: Uh-huh.  
13 |           SHERRI: So I was really surprised that he  
14 | came over.  
15 |           JOHN: Uh-huh.  
16 |           SHERRI: And he sat down and we had a little  
17 | study.  
18 |           JOHN: Uh-huh.  
19 |           SHERRI: And then he was real anxious to  
20 | leave.  
21 |           JOHN: Yeah.  
22 |           SHERRI: Then all of a sudden when he went  
23 | out the door, the, his alarm on his car went off and it  
24 | sounded just like a police alarm --  
25 |           JOHN: Uh-huh.  
          SHERRI: -- siren.

1 JOHN: Uh-huh.

2 SHERRI: And, you know, all the time I was, I  
3 was thinking to myself this guy is no student. I know  
4 a student.

5 JOHN: Uh-huh.

6 SHERRI: I go, this guy is an undercover  
7 agent. (Laughs.)

8 JOHN: Uh-huh.

9 SHERRI: The first time I saw him, and I, but  
10 David's just, you know, he invites, or he will talk to  
11 anybody who has an ear to listen.

12 JOHN: I think he will.

13 SHERRI: He, he does. He doesn't care if, if  
14 you know, who the person may be. So he invited,  
15 invited him in.

16 JOHN: Excuse me.

17 SHERRI: Gave him a study, and all the time I  
18 was thinking, man, I wouldn't trust this guy with a  
19 ten-foot pole, no way, no way.

20 JOHN: Uh-huh.

21 SHERRI: But yet he came in, he was, you  
22 know, had a lot of study, I mean, you know, the times  
23 he was here.

24 JOHN: Um-hum.

25 SHERRI: And -- but this morning or that  
Sunday morning, he was really antsy to, to leave. And

1 I couldn't figure it out in a way, because --

2 JOHN: I guess you know why now, don't you?

3 SHERRI: Well, yeah, it was kind of a real,  
4 it was a real bad set-up. Why didn't he just arrest  
5 him right there? Why didn't he just serve him a  
6 warrant right there?

7 JOHN: 'Cause he wasn't supposed to.

8 SHERRI: He was supposed to wait for us to be  
9 slaughtered?

10 JOHN: He was supposed to leave.

11 SHERRI: He was supposed to leave and then  
12 let us be slaughtered?

13 JOHN: No. Uh-uh.

14 SHERRI: Well, I'll tell you what --

15 JOHN: No one was, no one was, no one's was  
16 supposed to even be harmed.

17 SHERRI: Well, how come they fired first,  
18 because I saw it.

19 JOHN: Well, guess what.

20 SHERRI: And why did they --

21 JOHN: You will get your opportunity --

22 SHERRI: Why did they have --

23 JOHN: -- some day to testify to that.

24 SHERRI: -- so much foul language? I was  
25 appalled.

JOHN: What can I tell you. What's done is

1 done, isn't it?

2 SHERRI: Yeah, it sure is. It's too bad.

3 JOHN: You know, I'm not privy to, I'm not  
4 privy to any plans and I'm not privy to why things  
5 happened, and, and I'm sorry that they did.

6 SHERRI: Yeah, me too.

7 JOHN: And I'm sorry for, for you and for the  
8 people in there and I'm sorry for all of those ATF  
9 people.

10 SHERRI: Yeah.

11 JOHN: And their families as well. And, and  
12 you ask why was David concerned, David had a large role  
13 to play in that and he should have been concerned, and  
14 he should have had some feelings.

15 SHERRI: Well, it was just a, you guys did  
16 wrong, that's all I got to say. Anyway --

17 JOHN: He did wrong?

18 SHERRI: You guys.

19 JOHN: Well, that's your opinion.

20 SHERRI: Well, the ATL -- ATF.

21 JOHN: You know, that's your --

22 SHERRI: They should not have -- well,  
23 anyway.

24 JOHN: That's your opinion. Let me ask you  
25 something.

SHERRI: (Indiscernible.) Well, wait, I'm

1 not --

2 JOHN: Let me ask you something, Sherri. You  
3 were asking me a lot of questions.

4 SHERRI: Wait a minute, we have not finished  
5 my conversation. You have an unbelievable way --

6 JOHN: What do you mean you, we haven't?

7 SHERRI: I, we were still on the second seal  
8 and I didn't get it completely answered from you.  
9 Remember, I asked you well, what was the, what was the  
10 feeling of the people? Remember when the horses went  
11 to and fro throughout the earth, what was the reaction  
12 of the people?

13 JOHN: Uh-huh.

14 SHERRI: And you forgot to answer. 'Cause I,  
15 I --

16 JOHN: Why, why is it so important that I  
17 understand this?

18 SHERRI: Well, because if you don't  
19 understand these seals --

20 JOHN: Yeah, yeah.

21 SHERRI: -- aye, woe to you. You will find  
22 out. You will --

23 JOHN: Well, what am I going to find out?

24 SHERRI: You will -- you just don't know who  
25 you're fighting against. Have you read Psalms 18?

JOHN: Well, if I didn't --

1               SHERRI: I'll tell you what.

2               JOHN: -- David read it to me.

3               SHERRI: I would be, I would be shaking in my  
4 boots if I were you.

5               JOHN: Why?

6               SHERRI: Because -- do -- you don't believe  
7 this book then, huh?

8               JOHN: I didn't say that.

9               SHERRI: God's word? That -- when you said  
10 that --

11              JOHN: Are you saying I don't, I'm not a God-  
12 fearing person, don't believe in the Bible?

13              SHERRI: No, well you said why. And I'm  
14 saying because, if I -- I would be shaking in my boots  
15 if I was you, because --

16              JOHN: Well, tell me what you want to tell  
17 me.

18              SHERRI: -- what God said, what God says is  
19 going to happen.

20              JOHN: What? I mean, tell me, you're in a --

21              SHERRI: No, you tell me --

22              JOHN: You're a school teacher, a learned  
23 person. Speak to me.

24              SHERRI: Psalms 18. Open your Bible. I'm  
25 not going to say it. I want the book to say it.  
Because that's the only reason why I'm here. It's

1 'cause I, I'm waiting for God to do something.  
2 JOHN: You are?  
3 SHERRI: Yes, I am.  
4 JOHN: You've been waiting for six years?  
5 SHERRI: I -- no. I've been waiting since  
6 Sunday now. When God says wait --  
7 JOHN: Well, what, what happened before  
8 Sunday?  
9 SHERRI: Before Sunday we were preparing for  
10 this event. We knew it was going to happen.  
11 JOHN: You were?  
12 SHERRI: Oh, yeah.  
13 JOHN: Well, why did you let it happen?  
14 SHERRI: Why?  
15 JOHN: Yeah.  
16 SHERRI: We were prepared --  
17 JOHN: Uh-huh.  
18 SHERRI: Because we can't control what you  
19 guys do. Anyway, the reaction of --  
20 JOHN: Let, let me, let me ask you something.  
21 SHERRI: The reaction --  
22 JOHN: Let me ask you something, okay? Just  
23 want to ask a couple questions.  
24 SHERRI: Yeah, but we did.  
25 JOHN: I'm sorry, what?  
SHERRI: Well, the reaction of the people,

1 Zechariah, remember that first question? What the  
2 reaction of the people were? When the horses went to  
3 and fro throughout the earth?

4 JOHN: I'm listening to you.

5 SHERRI: They don't care. They were at ease.  
6 No one cares about the horses. No one cares about the  
7 seals. That's the --

8 JOHN: Well, I know there's no interest in  
9 the horses.

10 SHERRI: Yes.

11 JOHN: Uh-huh.

12 SHERRI: Of the, of Revelations. No one  
13 cares about those horses in Revelations, those seals.  
14 That was the reaction, that's the second seal.

15 JOHN: Uh-huh.

16 SHERRI: In a nutshell. So the third seal,  
17 you said that you went over.

18 JOHN: Uh-huh.

19 SHERRI: Where's that found?

20 JOHN: Try the Book of Revelation.

21 SHERRI: Well, that's where it's introduced,  
22 but where is it found in the prophecies?

23 JOHN: You won't accept the Book of  
24 Revelation --

25 SHERRI: Yeah, because --

JOHN: -- about a black horse and a rider.

1 They had --  
2 SHERRI: It's a black horse --  
3 JOHN: -- a pair of horses --  
4 SHERRI: Yes.  
5 JOHN: -- and the balance between the wheat  
6 --  
7 SHERRI: But you got to know where in the  
8 prophecies.  
9 JOHN: -- the penny and the measures and the  
10 barley and --  
11 SHERRI: That's right, but where is it found?  
12 JOHN: It was a balance of deceit, right?  
13 SHERRI: Yeah, a balance of deceit is in his  
14 head, okay, so --  
15 JOHN: You got it. All right.  
16 SHERRI: So is that a characteristic of  
17 Christ?  
18 JOHN: Is it in the book?  
19 SHERRI: Well, that's --  
20 JOHN: That's a clue, isn't it?  
21 SHERRI: That's a clue, that sure is. All of  
22 these are revelations of Christ.  
23 JOHN: I'm not going to dispute them.  
24 SHERRI: And there's time no longer.  
25 Remember Revelations 10?  
JOHN: Um-hum.

1               SHERRI: Time no longer.

2               JOHN: For who?

3               SHERRI: For people of this earth. There's  
4 going to be --

5               JOHN: Are, are you trying to tell me  
6 something?

7               SHERRI: I'm just telling you what the book  
8 says, that's all.

9               JOHN: Yeah, but did the book say when?

10              SHERRI: The book says when it's, when the  
11 voice of the seventh angel begins to sound.

12              JOHN: Uh-huh.

13              SHERRI: When these books are opened and  
14 understood from cover to cover --

15              JOHN: Yes.

16              SHERRI: -- and harmonized, completely  
17 harmonized --

18              JOHN: Where does it say that? Completely  
19 harmonized.

20              SHERRI: When you start understanding the  
21 Bible -- do you even understand Revelations? No.

22              JOHN: Not -- no, I don't.

23              SHERRI: But when you do start understanding  
24 --

25              JOHN: Uh-huh.

              SHERRI: -- in light of all of the prophets

1 --

2 JOHN: Yes.

3 SHERRI: -- that's what 10:7 is talking  
4 about. When the voice of the seventh angel begins to  
5 sound, the mystery of God -- that book is a mystery.  
6 Revelations is a mystery, don't you think? Of  
7 understanding?

8 JOHN: It's a little deep.

9 SHERRI: Yeah, it is a little deep. The  
10 mystery of God will be finished as it has already been  
11 declared to the servants, the prophets. So if you have  
12 an understanding of what Isaiah saw, Josiah, Jeremiah,  
13 all of the Old Testament prophets, if you understand  
14 what they all saw and then understand the Book of  
15 Revelations, in light of what all they saw, don't you  
16 think it's time no longer at that time? Things are  
17 going to be finished?

18 JOHN: I can't answer that.

19 SHERRI: Well, that's what the book says,  
20 anyway.

21 JOHN: You know. And, and you may be talking

22 --

23 SHERRI: So where's the third seal found?

24 JOHN: -- a very strict interpretation of the  
25 book.

SHERRI: Well, I'm just saying word for word,

1 | didn't -- when he gave you the study, didn't he give  
2 | you it word for word?

3 |         JOHN: Well, it's like saying that, you know,  
4 | Christ made the, the earth in seven days. Did it  
5 | happen in seven days --

6 |         SHERRI: Well, that's what it said.

7 |         JOHN: -- did it happen in seven months, in  
8 | seven years, in seven centuries.

9 |         SHERRI: It didn't say years and months and  
10 | years, uh-uh. It said in seven days it was created.

11 |         JOHN: Well, that's a strict interpretation.

12 |         SHERRI: Well, no. No private  
13 | interpretation, that's just, you know --

14 |         JOHN: I didn't say private interpretation, I  
15 | said it's a strict interpretation.

16 |         SHERRI: Okay. A strict interpretation.

17 |         JOHN: Yeah.

18 |         SHERRI: Okay. But it didn't say years, it  
19 | says days. So as we know days, that's how we take it.

20 |         JOHN: Yeah, but we take other things out of  
21 | context --

22 |         SHERRI: Okay, so where's the third seal --

23 |         JOHN: -- in there, don't we?

24 |         SHERRI: Where's the third, where's the third  
25 | seal found?

          JOHN: I say we take other parts of it out of

1 | context, don't we?

2 |           SHERRI: I don't think so.

3 |           JOHN: Yeah? Well, what happens when there

4 | was --

5 |           SHERRI: You tell me where we take it out.

6 |           JOHN: What happens when there was no sun out  
7 | in the Old Testament?

8 |           SHERRI: What do you mean, when there's no  
9 | sun out?

10 |          JOHN: Huh?

11 |          SHERRI: When there's no sun out.

12 |          JOHN: Yeah.

13 |          SHERRI: You mean when? In one of the seals?

14 |          JOHN: The sun hadn't been created and  
15 | they're talking about days.

16 |          SHERRI: Oh, you mean the, oh, you mean when  
17 | the sun was not created?

18 |          JOHN: Yeah. And how do you count days then?

19 |          SHERRI: Now, that was on the fourth day.

20 |          JOHN: Okay.

21 |          SHERRI: So what are, what are you -- did I  
22 | answer it?

23 |          JOHN: You're going -- did it happen in a  
24 | day?

25 |          SHERRI: Well, that's what it said. Sun,  
moon and stars --

1           JOHN: But, but what happened before the  
2 fourth day?

3           SHERRI: What happened before the fourth day?

4           JOHN: Uh-huh.

5           SHERRI: There was a third day. And then  
6 there was a second day. And a first day. And then  
7 there was, let there be light. And then there was  
8 light.

9           JOHN: Uh-huh.

10          SHERRI: Hum. But it didn't say years that  
11 these things were created, it said a day. So we know  
12 --

13          JOHN: What about, what about taking other  
14 things out of context in there?

15          SHERRI: Well, for instance.

16          JOHN: What?

17          SHERRI: For instance. Give me an example.  
18 Taking things out of context. Like?

19          JOHN: When you apply things that were  
20 written back then --

21          SHERRI: Like --

22          JOHN: -- under today's times.

23          SHERRI: I'll tell you what the Hebrew --

24          JOHN: Whether it be the verbiage --

25          SHERRI: The Hebrews signify --

          JOHN: You know, are we gonna, are we gonna

1 | hear thunder or are we gonna hear something else?

2 |         SHERRI: Well, you know it as thunder.

3 |         JOHN: Are we gonna talk about a bow and crow  
4 | or something --

5 |         SHERRI: I think you're gonna --

6 |         JOHN: -- or are we gonna talk about  
7 | something else.

8 |         SHERRI: I think you're gonna, think you're  
9 | see, I think you're gonna be, excuse the language, but  
10 | I think you're gonna be shitting in your pants, sir.

11 |         JOHN: Well.

12 |         SHERRI: Excuse me, but, you know.

13 |         JOHN: That really wasn't kind coming fr--

14 |         SHERRI: Well, that's why I said excuse me.

15 |         JOHN: -- coming from an educated person, was  
16 | it?

17 |         SHERRI: Well, there's many educated people  
18 | that have more foul language than me, and I did, I did  
19 | warn you ahead of time..

20 |         JOHN: You did.

21 |         SHERRI: I did, and those --

22 |         JOHN: But is, is there something to tell me  
23 | that Waco, Texas is Babylon?

24 |         SHERRI: Hey, the world is Babylon.

25 |         JOHN: Huh?

          SHERRI: The word Babylon just means

1 | confusion. And you know, there's so many cases that --

2 |           JOHN: Yeah, but not the way it's been told  
3 | to me in the last three nights by, by David. Okay?

4 |           (Unidentified male voice in background not  
5 | discernible.)

6 |           SHERRI: Yeah.

7 |           JOHN: You getting prompted by somebody else  
8 | there?

9 |           SHERRI: No, he, he said, he just, he was  
10 | just, I was just -- he says you should have heard the  
11 | federal agents out here talking, and I'd already you  
12 | about that.

13 |           JOHN: Hey. You're just interpreting this  
14 | thing too, you know?

15 |           SHERRI: I'm not interpreting.

16 |           JOHN: Sure you are.

17 |           SHERRI: What am I interpreting?

18 |           JOHN: Sure you are.

19 |           SHERRI: What am I interpreting?

20 |           JOHN: Hey, the book was written and  
21 | interpreted by who? A man. Right?

22 |           SHERRI: Wait a minute, say that again?

23 |           JOHN: The book was written and interpreted  
24 | by a man, right? Many men.

25 |           SHERRI: Well, not according to one of the  
apostles, what he says about it.

1 JOHN: Was he a man?

2 SHERRI: He was a man. But what he says, he  
3 says no scripture is just interpreted by a man.

4 JOHN: Hey, you open up the front page of  
5 your book, and it was written by someone.

6 SHERRI: It's not private interpretation.

7 JOHN: Huh?

8 SHERRI: It was all given by spirit.

9 JOHN: Now, whether you want to go to the  
10 King James Version or you want to go another version --

11 SHERRI: Anyway. Anyway.

12 JOHN: Let me ask you a couple of questions.

13 SHERRI: I'm, I'm --

14 JOHN: Let me -- hey, wait a minute.

15 SHERRI: I want to teach you, I want to teach  
16 you a Hawaiian word.

17 JOHN: Aloha?

18 SHERRI: No, it's tau, T-A-U.

19 JOHN: T-A-U?

20 SHERRI: Uh-huh.

21 JOHN: Let me ask you something.

22 SHERRI: That means, I'm finished.

23 JOHN: Hey.

24 SHERRI: Yes.

25 JOHN: Don't be that way now.

SHERRI: What do you mean, don't be that way?

1 | You don't --

2 |           JOHN: I've been listening to you, don't you  
3 | want to listen to me?

4 |           SHERRI: Well, I've listened, I've listened  
5 | on the TV and the radio.

6 |           JOHN: No, no, no, no.

7 |           SHERRI: I've listened a lot.

8 |           JOHN: Hey. Let's be fair now.

9 |           SHERRI: Let's be fair now?

10 |           JOHN: I've listened to you.

11 |           SHERRI: You're talking about let's be --

12 |           JOHN: I've listened to you, now --

13 |           SHERRI: -- fair? Whoa.

14 |           JOHN: Now how about letting me ask you a  
15 | couple of questions?

16 |           SHERRI: Whoa, whoa. Whoa, now, I think --

17 |           JOHN: You just want to be verbose, and you  
18 | don't want to let anybody else say anything.

19 |           SHERRI: -- you've asked, I think you've  
20 | asked a lot of questions, and --

21 |           JOHN: Huh?

22 |           SHERRI: I think I'm done.

23 |           JOHN: You're being kind of rude.

24 |           SHERRI: I'm sorry. But I'm, I'm done.

25 |           JOHN: Hey.

          SHERRI: Yes.

1 JOHN: Can I ask you a couple of things? I  
2 want to ask you just a couple of questions, okay?

3 SHERRI: I don't think so.

4 JOHN: Are, do you --

5 SHERRI: I actually didn't even want to talk  
6 tonight, and I was --

7 JOHN: Why not?

8 SHERRI: -- and I was asked to.

9 JOHN: Let, let me ask you something.

10 SHERRI: Do you know that I have --

11 JOHN: I want to tell your, I want to tell  
12 your mom something, all right, and I'm gonna tell her  
13 more than just look at Matthew 24.

14 SHERRI: No, I want you to give that message  
15 exactly the way I gave it.

16 JOHN: Well, I'm gonna tell her --

17 SHERRI: I want you to tell her Matthew 24,  
18 she'll understand.

19 JOHN: No, I'm gonna -- somebody's gonna tell  
20 her that we spoke to you.

21 SHERRI: Good. And tell her that we went  
22 over the first, second, and third seal, somewhat.

23 JOHN: Probably do -- somewhat, huh.

24 SHERRI: Somewhat.

25 JOHN: Let, let me ask you something, Sherri.

SHERRI: You know what, she used to say --

1 JOHN: Sherri, answer, answer something.

2 SHERRI: She used to say --

3 JOHN: You love to talk.

4 SHERRI: I think that --

5 JOHN: You know, you learn more from

6 listening, you know.

7 SHERRI: I think that --

8 JOHN: Is that what you tell your students?

9 SHERRI: No, and you know I used to teach  
10 some rotten students.

11 JOHN: You tell them you learn more from  
12 listening than from talking though, don't you.

13 SHERRI: I'm telling you, I'm telling you,  
14 they were pretty bad. In fact, my principal was, just  
15 before I, I left this last time, he goes --

16 JOHN: Where was that?

17 SHERRI: He goes --

18 JOHN: Huh?

19 SHERRI: He says, you know, we used to be  
20 afraid, not afraid, but we used to be fighting off  
21 students with spit wads, you know --

22 JOHN: You're kidding me.

23 SHERRI: -- years ago, years ago. Now we  
24 fight them off with guns and knives.

25 JOHN: Not in schools.

SHERRI: That's -- oh, yes. Oh, yes.

1                   JOHN: You got to be kidding.  
2                   SHERRI: No. I worked with the at-risk kids  
3 with, you know, the druggies --  
4                   JOHN: Uh-huh.  
5                   SHERRI: -- the ones that were kicked out of  
6 school --  
7                   JOHN: Uh-huh.  
8                   SHERRI: -- the failures, the ones that, that  
9 had the guns and the knives and --  
10                  JOHN: You just don't hear about those  
11 problems out there.  
12                  SHERRI: Oh, man. I had a, I had a kid that  
13 -- 'cause I taught computers.  
14                  JOHN: Uh-huh.  
15                  SHERRI: And he came in, he says oh, well,  
16 you know, I can't type today because I got shot in the  
17 hand because I stole this car and, and the cops, when  
18 they got me, you know, I, I just got in a mess of  
19 trouble. And I go okay, that's cool, you know.  
20                  JOHN: Yeah.  
21                  SHERRI: I said, well, let me look at it, so  
22 I looked at it and I said, well, you do what you can,  
23 and I wanted him to just, just do what he could.  
24 Anyway, but --  
25                  JOHN: Hey, there's, there's some, there's  
some redeeming value in all of them, though, isn't

1 | there?

2 |           SHERRI: Oh, they're terrific, I don't care

3 | --

4 |           JOHN: Hey, look at David.

5 |           SHERRI: Da-- yeah. What about him? He was

6 | a --

7 |           JOHN: He was a dropout.

8 |           SHERRI: He was a dropout and he had perfect  
9 | citizenship. He was no trouble.

10 |          JOHN: Sure.

11 |          SHERRI: You know, that's, that's --

12 |          JOHN: You know, and that's great, isn't it?

13 |          SHERRI: Oh, you know what, there's somebody  
14 | right here. Oh --

15 |          JOHN: Hey, wait a minute, don't run off.

16 |          SHERRI: Wait, she just wants to talk to you

17 | --

18 |          JOHN: Don't run off.

19 |          SHERRI: -- for one second.

20 |          JOHN: Let me ask you something.

21 |          SHERRI: What?

22 |          JOHN: I mentioned to you that, that David  
23 | and Steve both told me --

24 |          SHERRI: Um-hum.

25 |          JOHN: -- that all of the adults and women  
and children are, are free to leave there, right?

1 SHERRI: Oh, absolutely.

2 JOHN: And they're there on their own  
3 volition.

4 SHERRI: Absolutely.

5 JOHN: Okay. And that you're there because  
6 you want to be there, is that correct?

7 SHERRI: Totally.

8 JOHN: Now, do you have any -- I mean, you  
9 got a husband there, children there, anything like  
10 that?

11 SHERRI: Yeah.

12 JOHN: Okay. And so the only person on the  
13 outside that you want that message passed to is your  
14 mom, huh?

15 SHERRI: For, at this moment.

16 JOHN: What, she'll pass on to other people?

17 SHERRI: If she wants to.

18 JOHN: No, I just want to make sure that I'm  
19 not missing out on somebody for you.

20 SHERRI: I just -- I, no. You know, they  
21 know where I stand, and they know that that Bible is,  
22 is -- I'm testing it, to tell you the truth.

23 JOHN: Hey, how many children do you have?

24 SHERRI: I think I'll keep that to myself.  
25 You'll find out.

JOHN: Well, I told you.

1 SHERRI: I have, I have several. Anyway --

2 JOHN: Why are you reluctant to tell me?

3 SHERRI: Because this person is nudging on my  
4 arm and wanting to talk to you. Just a minute.

5 JOHN: Would you stay right there and come  
6 back to me.

7 SHERRI: Listen, it's been lovely, it's been  
8 lovely discussing the seals with you. I hope you will  
9 have another study with David if, if you can, because  
10 you can benefit from getting into the fifth seal.

11 JOHN: Can't we all, huh.

12 SHERRI: Yeah. I mean take it to heart.  
13 Truly.

14 JOHN: I do.

15 SHERRI: Yeah. (Laughs.)

16 JOHN: I do.

17 SHERRI: Well, good.

18 JOHN: It's something new for me.

19 SHERRI: Good. I hope so.

20 JOHN: So it's, it's, it's just kind of hard  
21 to take it.

22 SHERRI: Yeah.

23 JOHN: Just answer me one question before you  
24 run off because somebody's tugging at your arm.

25 SHERRI: I, I answered it already.

JOHN: Why do you have all those weapons in

1 | there?

2 |           SHERRI: Why?

3 |           JOHN: Yeah.

4 |           SHERRI: If we didn't we would have been  
5 | slaughtered. Why, how --

6 |           JOHN: Well, no, no, no.

7 |           SHERRI: Let me -- oh, well, you know what?

8 |           JOHN: Why do you have them? I've been in  
9 | Baptist church and Catholic church and synagogues and  
10 | all these places, and I don't see weapons.

11 |           SHERRI: Hey, you just stepped on the phone  
12 | again. There.

13 |           JOHN: And I, I don't see weapons there.

14 |           SHERRI: You don't see weapons there?

15 |           JOHN: No.

16 |           SHERRI: Well, you know, Christ said if my  
17 | kingdom was of this world, my servants would fight.

18 |           JOHN: Uh-huh.

19 |           SHERRI: Well. Did you know that he asked --

20 |           JOHN: Let me know the last time you go into  
21 | a Catholic church or a Baptist church or a  
22 | Presbyterian, Lutheran, Episcopalian --

23 |           SHERRI: Well, I'll tell you what.

24 |           JOHN: -- and you find all the weapons.

25 |           SHERRI: How come nothing has been said about  
the three choppers that came over and just started

1 | whaling on this building.

2 |           JOHN: Don't know anything about it.

3 |           SHERRI: With machine guns. Oh, ho, ho.

4 | That's how --

5 |           JOHN: Huh?

6 |           SHERRI: That's how I believe --

7 |           JOHN: From what I understand and from what  
8 | I've been told --

9 |           SHERRI: Well, I know.

10 |           JOHN: And I can only tell you what I've been  
11 | told, is that no rounds were fired out of helicopters.

12 |           SHERRI: No rounds --

13 |           JOHN: That's right.

14 |           SHERRI: -- were fired out of helicopters.

15 |           JOHN: That's the only thing I was told.

16 |           SHERRI: You -- that is, excuse me, but this  
17 | is --

18 |           JOHN: Don't use any profanity now.

19 |           SHERRI: Excuse me, I am warning you, that's  
20 | bullshit, I am sorry.

21 |           JOHN: Well, all I'm telling you --

22 |           SHERRI: I am sorry, we have --

23 |           JOHN: -- is what I was told.

24 |           SHERRI: We have proof. I mean, you don't  
25 | get bullets from coming down from the ceiling down.

          JOHN: Uh-huh.

1           SHERRI: From no -- three helicopters --  
2           JOHN: Uh-huh.  
3           SHERRI: -- with machine guns on them.  
4           JOHN: Uh-huh.  
5           SHERRI: Now, come on. We have a dead  
6 person, I think because of that.  
7           JOHN: Well, you may have had more.  
8           SHERRI: Which you not even come get, which  
9 we're gonna bury tomorrow out in front.  
10          JOHN: Yeah, well.  
11          SHERRI: I am, I am --  
12          JOHN: It seems like a righteous thing to do.  
13          SHERRI: If you did not have -- oh, yeah.  
14 But not on your part.  
15          JOHN: Why?  
16          SHERRI: Why?  
17          JOHN: Yeah, why do you say that?  
18          SHERRI: Maybe you're not understanding, I  
19 said it was not righteous of you guys to have three  
20 helicopters coming over. I mean, you have these people  
21 coming --  
22          JOHN: Those guys didn't have three  
23 helicopters.  
24          SHERRI: Well look at -- you did have three  
25 helicopters. You did. If I had a camera in my hand I  
would have taken it.

1           JOHN: Hey, you're talking to the, you're  
2 talking to an FBI agent, all right?

3           SHERRI: I know. Well, I'm telling whoever,  
4 'cause I can't talk to anybody else.

5           JOHN: You're right.

6           SHERRI: The ATF people, then. Those people.

7           JOHN: Right.

8           SHERRI: You have them coming in the front  
9 with these two, two, you know, cattle -- I don't know  
10 what you call them -- trucks, like.

11          JOHN: Trailers.

12          SHERRI: Filled with men, coming out  
13 shooting. I mean, and then, in the back of our  
14 property you have three choppers coming in on us.

15          JOHN: Uh-huh.

16          SHERRI: I mean, come on. We're talking  
17 slaughter here. And the only reason those, those  
18 choppers took off was because we were firing at them.  
19 Now, we --

20          JOHN: That doesn't tell me why you had the  
21 weapons there, though, does it.

22          SHERRI: I'm telling you. Self-defense.

23          JOHN: Hey, that's not what the Constitution  
24 says.

25          SHERRI: The Constitution says bear arms,  
okay --

1                   JOHN: But --

TAPE #90

3/7/93 - 3/8/93

11:47 P.M. - 2:57 A.M.

1 (Tape 90)

2 SHERRI: -- (Indiscernible) And if we did

3 not, if we do not start protecting ourselves by, you

4 know --

5 JOHN: Hey.

6 SHERRI: -- shooting you guys, the choppers

7 would have --

8 JOHN: I can't argue about what happened in

9 the past, all right?

10 SHERRI: Okay.

11 JOHN: It happened and it was a tragedy.

12 SHERRI: I know. I know, I know.

13 JOHN: Okay?

14 SHERRI: It --

15 JOHN: I'll see you in court, Sherri.

16 SHERRI: You'll see me in court?

17 JOHN: Yeah, that's --

18 SHERRI: I'll see you --

19 JOHN: -- that's where we all get our day of

20 justice, huh?

21 SHERRI: I'll see you, hey, I will see you in

22 the highest court there is.

23 JOHN: Well, I'm sure we will some day, huh.

24 SHERRI: The highest court, do you know where

25 that is?

JOHN: Yeah.

1               SHERRI: Yeah. And I would really be shaking  
2 in your boots about now.

3               JOHN: Why?

4               SHERRI: Why?

5               JOHN: Yeah.

6               SHERRI: Why?

7               JOHN: Yeah. Is there something I should  
8 fear?

9               SHERRI: Psalms, Psalms 18 is terrifying.

10              JOHN: But is there something I should fear?

11              SHERRI: (Indiscernible) I can't believe  
12 this.

13              JOHN: Huh?

14              SHERRI: Because you don't fear God, that's  
15 why.

16              JOHN: Well, I do.

17              SHERRI: You absolutely do-- okay,  
18 Revelations 6. When this earth starts doing it's  
19 terrifying thing --

20              JOHN: Uh-huh.

21              SHERRI: -- you're going to be one of those,  
22 you know, the, the people rushing underneath the rocks  
23 --

24              JOHN: Uh-huh.

25              SHERRI: -- saying hide me from Him that sits  
on the throne and from the wrath. I mean, there's

1 going to be so much wrath coming out, you have no idea.  
2 JOHN: Hey, I'm going to meet my Maker some  
3 day.  
4 SHERRI: You will meet your Maker some day --  
5 JOHN: We all will.  
6 SHERRI: -- let me tell you.  
7 JOHN: We all will.  
8 SHERRI: Yet you -- yes, and you -- He not  
9 gonna be too happy with you.  
10 JOHN: Why not?  
11 SHERRI: And do you know what?  
12 JOHN: I'm a man of peace.  
13 SHERRI: You ought to read Psalm 75.  
14 JOHN: Hey Sherri, I'm a man of peace.  
15 SHERRI: Do you know what that says?  
16 JOHN: What?  
17 SHERRI: God is going to be -- you know what  
18 a horn is?  
19 JOHN: How many horns?  
20 SHERRI: Do you what a horn is?  
21 JOHN: You counting the seven horns?  
22 SHERRI: Do you know what a horn is? Read  
23 Psalm 75, because this is what's gonna happen to you.  
24 JOHN: What?  
25 SHERRI: Psalm 75.  
JOHN: You sound awful belligerent towards

1 | me.  
2 |           SHERRI: I am because it scares me --  
3 |           JOHN: Why?  
4 |           SHERRI: -- that you don't even fear God,  
5 | because this is what's gonna happen to you.  
6 |           JOHN: God is loving.  
7 |           SHERRI: God is loving? Read Psalm 75.  
8 |           JOHN: Isn't God loving?  
9 |           SHERRI: Not to those that don't --  
10 |          JOHN: Huh?  
11 |          SHERRI: -- know his seals.  
12 |          JOHN: Why do you say that?  
13 |          SHERRI: Because that's what the book says,  
14 | not me.  
15 |          JOHN: It says that --  
16 |          SHERRI: Read Psalm 75.  
17 |          JOHN: -- God doesn't love everyone?  
18 |          SHERRI: Turn to Psalm 75. Turn to Psalm 75.  
19 |          JOHN: God doesn't love everyone?  
20 |          SHERRI: Oh, loves them.  
21 |          JOHN: Huh?  
22 |          SHERRI: Dearly. That's why He's so  
23 | patiently waiting on certain people.  
24 |          JOHN: He's forgiving too, Sherri, believe  
25 | me.  
          SHERRI: Yeah, He is forgiving, yes, but not

1 | forgiving when you disregard some of His judgments.  
2 |         JOHN: Wait a minute, you're talking to me.  
3 |         SHERRI: Huh?  
4 |         JOHN: You're talking to me.  
5 |         SHERRI: I know I'm talking to you --  
6 |         JOHN: Huh?  
7 |         SHERRI: -- because you have a soul and we  
8 | happen to --  
9 |         JOHN: Do you have a soul?  
10 |         SHERRI: Yeah. We happen to really be  
11 | concerned about your soul.  
12 |         JOHN: Oh, I bet.  
13 |         SHERRI: We are.  
14 |         JOHN: Uh-huh.  
15 |         SHERRI: We are. So Psalm 75.  
16 |         JOHN: What do you want?  
17 |         SHERRI: I want you to read Psalm 75.  
18 |         JOHN: Okay.  
19 |         SHERRI: This is what's gonna happen to you.  
20 |         JOHN: I will read Psalm 75, okay?  
21 |         SHERRI: Read it. Please.  
22 |         JOHN: What, do I have to read it to you?  
23 |         SHERRI: Yes.  
24 |         JOHN: Why?  
25 |         SHERRI: 'Cause I want you to know --  
       JOHN: You won't answer any of my questions.

1 |                   SHERRI: Okay.

2 | JOHN: Why should I read it to you?

3 | SHERRI: Do you know what a horn is?

4 JOHN: Uh-uh. Tell me.

5 | SHERRI: Horn's a dick.

6 | JOHN: Yeah.

7 | SHERRI: And you're gonna be without yours.

8 | JOHN: Oh, that's cute.

9 | SHERRI: I know that's cute.

10 JOHN: That's a real class act.

11 , SHERRI: No, that's just what Psalm 75 --

12 JOHN: I bet that makes you really feel  
13 proud, doesn't it?

14 SHERRI: No, it doesn't make me feel proud.

15 JOHN: Huh?

16 | SHERRI: It makes me shake in my boots.

17 JOHN: What's it mean?

18 |           SHERRI: What do you mean, what's it mean?

19 | What's it mean? Read Psalm 75.

20 JOHN: No, I mean what, what are you trying  
21 to say to me?

22 SHERRI: I'm telling you what God is telling  
23 you.

24 JOHN: I think you're just being kind of  
25 crude.

SHERRI: Read -- just -- never mind. Just

1 read Psalm 75. I got to go. If you don't believe what  
2 that book says, I'm done. Tau.

3 JOHN: Have a nice day.

4 SHERRI: Okay.

5 JOHN: Aloha.

6 SHERRI: Here's, here's the next -- oh, she  
7 just left. See what I told you?

8 JOHN: What?

9 SHERRI: If she didn't take it right then she  
10 was going to leave.

11 JOHN: Well, she probably figured you were  
12 getting kind of belligerent.

13 SHERRI: I guess you'll be watching Johnny  
14 Carson tonight, huh?

15 JOHN: Who?

16 SHERRI: You.

17 JOHN: No, I'm sitting here.

18 SHERRI: Are you going to read Psalm 75?

19 JOHN: Sure.

20 SHERRI: Good. I'm glad.

21 JOHN: Unto thee, oh God. How's that?

22 SHERRI: Keep going, it's towards the end of  
23 the, end of the chapter there, or end of the psalm.

24 JOHN: Uh-huh.

25 SHERRI: And I would shake in your boots.

JOHN: Well, you're calling me wicked.

1 SHERRI: I'm calling -- hey, we're all  
2 wicked. I'm wicked, too.

3 JOHN: Why do you say that?

4 SHERRI: Why? Well, if you knew more --

5 JOHN: You're gonna lose your horn?

6 SHERRI: I don't have a horn.

7 JOHN: Well, it says the horns of the wicked.  
8 You said you're wicked.

9 SHERRI: The horns of the wicked, yes.

10 JOHN: Uh-huh. Do you have a horn?

11 SHERRI: The horns of the wicked. What else  
12 does it say? What does it say about the horns of the  
13 wicked?

14 JOHN: Will I cut off --

15 SHERRI: Will I cut off.

16 JOHN: -- but the horns of the righteous  
17 should be shall be exalted.

18 SHERRI: Should be exalted, so the men --

19 JOHN: Maybe, maybe I'm righteous.

20 SHERRI: -- the men. Are you righteous?

21 JOHN: I hope so.

22 SHERRI: Do you know where the fourth seal is  
23 found?

24 JOHN: Do I have to?

25 SHERRI: Well, that's what God says.

JOHN: What, if I don't know where it's found

1 --

2 SHERRI: Oh --

3 JOHN: I'm not righteous.

4 SHERRI: According to the book you aren't.

5 JOHN: What, what are we having, are we  
6 having a lecture on theology tonight?

7 SHERRI: Well, all I'm saying is you're gonna  
8 shake in your boots and I'll -- you know, you're just  
9 being warned ahead of time, that's all.

10 JOHN: Hey, hey.

11 SHERRI: I'm sorry. I'm sorry. I mean, I'm  
12 totally sorry.

13 JOHN: Don't let it get to you, 'cause it  
14 won't --

15 SHERRI: Anyway --

16 JOHN: -- 'cause it won't get to me.

17 SHERRI: Anyway, I'm tau. Here we go. Here  
18 we go.

19 JOHN: I'll -- you be good, huh?

20 UNIDENTIFIED MALE SPEAKER: (Indiscernible)  
21 wants to learn any more scripture.

22 SHERRI: Do you want to learn any more  
23 scripture?

24 JOHN: Who's this?

25 SHERRI: Me. This is Sherri.

JOHN: Oh, I thought you were running off on

1 me.

2 SHERRI: You know, it's just that I'm real  
3 concerned that you don't seem to fear, that's all, and,  
4 you know, you're talking --

5 JOHN: Do I fear death? Is that --

6 SHERRI: Do you fear God?

7 JOHN: -- what you're asking?

8 SHERRI: I'm asking if you fear God.

9 JOHN: Sure, I love God.

10 SHERRI: The beginning of wisdom is fearing  
11 God.

12 JOHN: Hey.

13 SHERRI: You know, fearing God?

14 JOHN: You know, some people fear God, other  
15 people love God.

16 SHERRI: Well, you don't fear God.

17 JOHN: And, and it's like being a pessimist  
18 and being an --

19 SHERRI: Do you want to know any more  
20 scripture about this?

21 JOHN: It's like being a pessimist and an  
22 optimist.

23 SHERRI: John, do you want to know some more  
24 scripture about this?

25 JOHN: Is it half full or half empty, kid.

Huh?

1 SHERRI: Do you want to know any more  
2 scripture about this?

3 JOHN: Where are we going with this?

4 SHERRI: Huh?

5 JOHN: Where are we going with this?

6 SHERRI: What do you mean, where are we  
7 going? For your understanding.

8 JOHN: Well, you just wanted to be  
9 belligerent --

10 SHERRI: For your salvation, that's my --

11 JOHN: -- and, and raising your voice and  
12 getting crude and all of this kind of stuff.

13 SHERRI: I'm not getting crude, I said excuse  
14 me ahead of time. And it was not as crude as your men  
15 were, not your men but, you know, the other guys.

16 JOHN: I'm not talking about what happened  
17 last Sunday.

18 SHERRI: You're all the same, you're all the  
19 same company, government. I mean, I don't talk like  
20 those guys.

21 JOHN: Well, I'm sorry you feel that way.

22 SHERRI: You know, they talk a lot cruder and  
23 they didn't say, you know, excuse me ahead of time.

24 JOHN: Well --

25 SHERRI: Anyway, did you want to know some  
more scripture on this?

1 JOHN: Like what?

2 SHERRI: About, about anything from David?

3 JOHN: What do you want to tell me?

4 SHERRI: No, I want to know, do you want to  
5 study?

6 JOHN: Do I want to study scripture tonight?

7 SHERRI: Um-hum.

8 JOHN: No. What I asked David is to speak to  
9 some people tonight. And he said that he would make  
10 them all available for me to speak to them.

11 SHERRI: Yeah, well, most of them went to  
12 bed.

13 JOHN: I wonder why?

14 SHERRI: Because. I was in bed. I didn't  
15 want to get up. I said I'd talk to him tomorrow. And  
16 then he says, well, why don't you talk to him.

17 JOHN: Oh, you, you couldn't give up the  
18 opportunity though, could you, huh?

19 SHERRI: Hey, I'm sorry, but a lot of these  
20 people really don't want to speak to you, because it's  
21 all the same sh-- stuff.

22 JOHN: What? What same stuff?

23 SHERRI: You know, the questioning, the --

24 JOHN: You think I'm being antagonistic in my  
25 dialogue with you or something?

SHERRI: No, it's just that --

1 JOHN: I'm really not.

2 SHERRI: -- you know, it's like senseless.  
3 Our whole point is the book, the Bible. You don't  
4 really --

5 JOHN: People call in here and they care  
6 about people, and so I tell them, I tell David and I  
7 tell Steve look, all I want to do is talk to the person  
8 and to ensure that they're all right, to ensure they're  
9 in there.

10 SHERRI: We are all fine here.

11 JOHN: And ensure that they're in there at  
12 their own free will.

13 SHERRI: We are here in our own free will,  
14 and that garbage that --

15 JOHN: Well, you can speak for yourself.

16 SHERRI: That garbage that you had on the TV,  
17 I was about ready to throw something at it.

18 JOHN: What, what's that?

19 SHERRI: Because when you, when the guy said  
20 that we, we were not here on our own free will, that's  
21 not, that is like so far from the truth.

22 JOHN: Well, who said that?

23 SHERRI: That, that guy that was on the TV.  
24 I don't know what his name was, name was. I mean, I  
25 took notes on the whole thing.

JOHN: Uh-huh.

1           SHERRI: It was bad. It was, it put us in a  
2 real bad light.

3           JOHN: Well, there's no question in my mind  
4 that you're there on your own free will, and I'm not  
5 going to argue that. But people call in and they want  
6 to know if their loved ones are, are safe, if they've  
7 been injured.

8           SHERRI: I have lived with these people for a  
9 long time, and I don't know --

10          JOHN: Do what?

11          SHERRI: I have lived with these people for a  
12 long time.

13          JOHN: Uh-huh.

14          SHERRI: This is a family here.

15          JOHN: Uh-huh.

16          SHERRI: And I don't see anybody who wants to  
17 leave. Nobody. And you know --

18          JOHN: But you're not, you're not there to  
19 speak for other people though, are you?

20          SHERRI: No, I'm not.

21          JOHN: You know, no more than I am either.

22          SHERRI: Hey, you know what? They would --

23          JOHN: Hey, David's son told me he wanted to  
24 leave.

25          SHERRI: David's son told you he wanted to  
leave. You know why? Probably 'cause cartoons or

1 something.

2 JOHN: I didn't bring up why.

3 SHERRI: Well, I didn't --

4 JOHN: And you, it's pure speculation --

5 SHERRI: I didn't know either.

6 JOHN: -- on your part why, isn't it?

7 SHERRI: Speculation.

8 JOHN: Isn't it?

9 SHERRI: Because, you know, this is real

10 senseless. And here's this person that would like to

11 speak to you.

12 JOHN: God bless you, kid.

13 SHERRI: God bless me?

14 JOHN: Yeah, stay in there.

15 SHERRI: I think you better start hoping he

16 blesses something else there, too, 'cause I'd be

17 shaking in your boots.

18 JOHN: Hey. Just take care of yourself,

19 everything will work out fine. And I'll see you when

20 you come out.

21 SHERRI: (Laughs.)

22 JOHN: Because David said you are coming out.

23 SHERRI: Oh, we definitely are coming out.

24 JOHN: He says it's just a matter of time.

25 So I'll see you when you come out.

SHERRI: You definitely will see us when we

1 | come out.

2 |           JOHN: Okay.

3 |           SHERRI: Okay. (Unidentified voices in  
4 | background not discernible.) Jean left again.

5 |           JOHN: Pardon me?

6 |           SHERRI: Where's Jean? She was wanting to --

7 | (Unidentified male voice in background not

8 | discernible.) Do you want to speak or not?

9 | (Indiscernible) or not, yes or no?

10 |          MS. BORST: Hi, this Mary Jean Borst again.

11 | I just wanted to --

12 |          JOHN: Hey, Mary Jean, how are you?

13 |          MS. BORST: Fine. I just wanted to say one  
14 | thing.

15 |          JOHN: Yes, ma'am.

16 |          MS. BORST: I used to work for the FBI --

17 |          JOHN: Did you really?

18 |          MS. BORST: -- years ago, yes.

19 |          JOHN: Where?

20 |          MS. BORST: Many years ago in Washington,  
21 | D.C.

22 |          JOHN: No, kidding, whereabouts?

23 |          MS. BORST: Well, I was, for a little while I  
24 | was in the Ident, Identification Building.

25 |          JOHN: Don't tell me that, what year?

          MS. BORST: Well, I started in '62.

1 JOHN: So was I.

2 MS. BORST: Really?

3 JOHN: Second and D Street, S.W.

4 MS. BORST: And then I went to the -- oh, I  
5 can't remember the name of that building right now, it  
6 starts with an R?

7 JOHN: Where?

8 MS. BORST: At that time it was the, the name  
9 of the building that I went -- first I was in the  
10 Identification Building.

11 JOHN: Uh-huh.

12 MS. BORST: Then I went to the -- I can't  
13 remember the name of the building right now. But I,  
14 anyway I went --

15 JOHN: Was it the Washington field office?

16 MS. BORST: Oh, I don't think so.

17 JOHN: Or the main building, the main Justice  
18 building?

19 MS. BORST: No, I went, it was a smaller  
20 building. I went into a steno pool anyway.

21 JOHN: Yeah.

22 MS. BORST: First I was in the Ident Building  
23 as a, you know, fingerprint, and then I went to --

24 JOHN: You were in the fingerprint section?

25 MS. BORST: Yes, just for a short time, and  
then I went --

1 JOHN: You got to be kidding me.

2 MS. BORST: No.

3 JOHN: In 1962?

4 MS. BORST: Right.

5 JOHN: That means two of us were there,  
6 doesn't it?

7 MS. BORST: Really?

8 JOHN: Yeah.

9 MS. BORST: Well anyway, I just wanted to  
10 say, I mean, I remember a lot of the people that I  
11 worked with back then and I'm sure some are still  
12 working there.

13 JOHN: Who was your supervisor back then?

14 MS. BORST: In the Identification Building?

15 JOHN: Yeah.

16 MS. BORST: I don't really remember, see,  
17 'cause I was only in the Identification Building for  
18 three months. I went there because --

19 JOHN: Uh-huh.

20 MS. BORST: -- there was no opening at the  
21 time in the steno pool, and then I --

22 JOHN: I bet you were happy to get out, huh?

23 MS. BORST: And -- well, I enjoyed it but I  
24 loved it in the steno pool.

25 JOHN: Yeah.

MS. BORST: And then, but, and I just wanted

1 | to mention there was this, I had a good friend back  
2 | then --

3 |               JOHN: Uh-huh.

4 |               MS. BORST: -- who later became an agent.

5 |               JOHN: Oh, no kidding, who?

6 |               MS. BORST: I was just -- Gary Stone. And I  
7 | was just wondering if there's any way I could --

8 |               JOHN: Jerry or Gary?

9 |               MS. BORST: Gary, Gary, with a G. And I was  
10 | just wondering if there's any way I could ever talk to  
11 | him or at least just tell him hi for me? I heard --

12 |               JOHN: Gary Stone. Do you know where he may  
13 | have gone?

14 |               MS. BORST: Well, I heard several years back,  
15 | it's quite a few years ago, that he was stationed in  
16 | Texas, but then that was, you know, quite a few years  
17 | ago --

18 |               JOHN: Like how many years ago?

19 |               MS. BORST: Oh, that's probably, it's  
20 | probably been ten years or so ago now, that I heard  
21 | that. So --

22 |               JOHN: Now, was he an agent when you were  
23 | with him up there or was he clerk?

24 |               MS. BORST: No, no, no. He came in as a  
25 | messenger, right?

              JOHN: Uh-huh.

1 MS. BORST: He was a clerk in that same  
2 building I was in the steno pool. And then he --

3 JOHN: And it wasn't Washington field office,  
4 huh? The Old Post Office Building?

5 MS. BORST: No. It was, it's, the building,  
6 the name of the building started with an R.

7 JOHN: Like the Ryder Building or something?

8 MS. BORST: Something like that. Well, I  
9 don't think it was Ryder but I'm sure it started with  
10 an R.

11 JOHN: Whereabouts was it, do you recall?

12 MS. BORST: I don't know, but it was a ways  
13 away from the Identification Building. It wasn't right  
14 there, you know.

15 JOHN: It wasn't up near the Library of  
16 Congress, huh?

17 MS. BORST: I think it was just like Raleigh,  
18 the -- no, not Raleigh.

19 JOHN: What, it wasn't --

20 MS. BORST: Rydell, the Rydell Building.

21 JOHN: Rydell Building?

22 MS. BORST: That was it, Rydell Building.

23 JOHN: That was the old, what, Domestic  
24 Intelligence Division, Rydell Building?

25 MS. BORST: It was in the Rydell Building, so  
it was like--

1 JOHN: And he was a messenger there?

2 MS. BORST: He was a messenger there. And  
3 then he, you know, later he, he studied, he, you know,  
4 went on to become an agent and --

5 JOHN: Um-hum.

6 MS. BORST: So it was several years later,  
7 probably before he became an agent.

8 JOHN: Um-hum.

9 MS. BORST: But, but he became an agent.  
10 Last I heard, I believe he was stationed in Texas and  
11 that's --

12 JOHN: Well, let me tell you, we'll try to  
13 round him up.

14 MS. BORST: Oh, I would love that. And his  
15 wife. He got married back then when he was still a, a  
16 messenger and --

17 JOHN: Uh-huh.

18 MS. BORST: -- she was a very good friend of  
19 mine who worked in the steno pool with me, and I would  
20 love it if you could get a message to them, 'cause they  
21 were great people. And you know, so many people back  
22 then -- my, my supervisor in the steno pool was Sylvia  
23 Wahler, and I'm --

24 JOHN: I bet you she's retired by now.

25 MS. BORST: She's what?

JOHN: I bet she's retired by now, huh?

1 MS. BORST: Well, I don't know. She was,  
2 back then she was like her late 20's. So --  
3 JOHN: And she was a supervisor?  
4 MS. BORST: She was a supervisor in the steno  
5 pool and --  
6 JOHN: That's young.  
7 MS. BORST: And she's someone I'm sure that  
8 would stay with the FBI until she retired, so she's  
9 probably still there.  
10 JOHN: Let, let me --  
11 MS. BORST: And I really liked her and I  
12 would love it if you could tell her hi for me.  
13 JOHN: Give me, give me her name again.  
14 MS. BORST: Sylvia Wahler. W -- I think it's  
15 W-A-H-L-E-R, I'm not sure. But her husband's name is  
16 Richard Wahler, Dick. His name is Dick.  
17 JOHN: I knew a fellow that --  
18 MS. BORST: But he didn't work for the FBI,  
19 he was --  
20 JOHN: -- that was an agent with that name.  
21 But he did not, huh?  
22 MS. BORST: No, he, he worked for someone  
23 else, but.  
24 JOHN: Yeah. How long did you work for the  
25 Bureau?  
MS. BORST: I only worked there for 2½ years.

1 JOHN: Yeah.

2 MS. BORST: Then I went back to Minnesota.

3 JOHN: Well, you know something about the  
4 Bureau then, huh?

5 MS. BORST: Yes, somewhat, you know. I mean  
6 that was years ago.

7 JOHN: And you, and you know we're pretty  
8 decent people, don't you.

9 MS. BORST: I know that there are a lot of  
10 people that I really loved, you know. Good people all  
11 over.

12 JOHN: Some, some good folks, huh.

13 MS. BORST: Right. That's very true.

14 JOHN: Well, well, you can do me a big favor,  
15 because we are good people and we are family, and we  
16 don't want to mistreat anyone or hurt anyone, and, and  
17 if you can plant that seed in there, that, that I'm  
18 being as truthful as I can be when I tell you that,  
19 that I, I have patience and everybody else out here has  
20 an awful lot of patience that this thing will be  
21 resolved peacefully and that's, that's our fondest  
22 wish. And you know the way the Bureau is, that we like  
23 to do things the right way, huh?

24 MS. BORST: Well, I believe you. I mean, and  
25 I just have one thing I would like to ask of you.

JOHN: You bet.

1 MS. BORST: Please, besides, you know, if you  
2 could contact those people I used to know, I would love  
3 that, but --

4 JOHN: Uh-huh.

5 MS. BORST: -- just please keep letting David  
6 show you the seals, have an open mind and, and study,  
7 because this is the truth.

8 JOHN: Okay.

9 MS. BORST: It would never be here if it  
10 wasn't the truth. Okay? And, and all we want is for  
11 everyone to know the truth and that was all.

12 JOHN: Well, do you think the seals' gonna  
13 let you come out of there shortly?

14 MS. BORST: Well, like I said, all I'm  
15 waiting is for God to say come out --

16 JOHN: Okay.

17 MS. BORST: -- and I'm out.

18 JOHN: Okay.

19 MS. BORST: Okay?

20 JOHN: I'll see you when you come out, huh?

21 MS. BORST: Okay.

22 JOHN: All right.

23 MS. BORST: I sure appreciate it.

24 JOHN: You be good, huh?

25 MS. BORST: You too. Did you want to talk to  
David or --

1 JOHN: Sure, I'll to anybody that's there.  
2 MS. BORST: He says anybody that's here.  
3 JOHN: I'll even talk to Sherri if she wants  
4 to talk.  
5 MS. BORST: Okay, let me check, okay? Okay,  
6 bye-bye.  
7 JOHN: Okay.  
8 [gap]  
9 (Unidentified male voice in background not  
10 discernible.)  
11 JOHN: Hello. Hello. Hello.  
12 OLIVER: Hello.  
13 JOHN: Hello.  
14 OLIVER: This is an Aussie from down under,  
15 mate. Good day.  
16 JOHN: Hey, how are you?  
17 OLIVER: I'm all right.  
18 JOHN: What's your name?  
19 OLIVER: My name's Oliver Gyarfas.  
20 JOHN: Oliver --  
21 OLIVER: G-Y-A-R-F-A-S.  
22 JOHN: G-Y -- G-Y, give it, give it to me  
23 again. G-Y --  
24 OLIVER: G-Y-A-R-F-A-S.  
25 JOHN: Okay.  
OLIVER: I just wanted to tell you about my

1 | experience.

2 |           JOHN: Go ahead.

3 |           OLIVER: Okay.

4 |           JOHN: Your wife's -- Elizabeth's your wife,  
5 | huh?

6 |           OLIVER: No, my -- Elizabeth's my mother.

7 |           JOHN: Oh, I'm sorry.

8 |           OLIVER: Yeah. They, they -- I don't where  
9 | they are at the moment, they're probably pretty worried  
10 | about me. Anyway, I'd like to tell you about my  
11 | experience, is that all right?

12 |           JOHN: Go ahead.

13 |           OLIVER: Okay. I heard, I heard gunfire, all  
14 | right, so we -- you know, as you know, we've got a  
15 | bunker.

16 |           JOHN: You've got a what?

17 |           OLIVER: We've got a bunker. You know what  
18 | that is?

19 |           JOHN: Well, I know what a bunker should be,  
20 | yeah.

21 |           OLIVER: Well, anyway, it's a tornado  
22 | shelter, something like that.

23 |           JOHN: Uh-huh.

24 |           OLIVER: So I went down in there and I walked  
25 | over to the tunnel entrance, and I see one of your guys  
   | in a, in the, in a puddle. I could see his reflection

1 | above.

2 |           JOHN: Uh-huh.

3 |           OLIVER: He must have seen us, because, you  
4 | know, he, he screamed out, he said, "Come out you  
5 | mother-f'ers" --

6 |           JOHN: Uh-huh.

7 |           OLIVER: -- you know? I'm, I'm sure you  
8 | probably know about this. But I couldn't shoot the guy  
9 | because he was behind the cement, you know? So he was  
10 | lucky.

11 |           JOHN: Why would you want to shoot him?

12 |           OLIVER: Well, he was shooting at us, you  
13 | know, so self-defense, you know.

14 |           JOHN: Uh-huh.

15 |           OLIVER: That's the only reason I'd shoot  
16 | anyone. Self-defense.

17 |           JOHN: Let me, let me --

18 |           OLIVER: I wouldn't go out to kill anyone  
19 | purposely --

20 |           JOHN: Let me ask you something, Oliver.

21 |           OLIVER: Go ahead.

22 |           JOHN: You're there -- do you have any other  
23 | relatives in there with you?

24 |           OLIVER: Yeah.

25 |           JOHN: Who do you, who else do you have in  
there with you that are your relatives?

1                   OLIVER: I've got a sister, her name's Aisha  
2 Gyarfas.

3                   JOHN: Okay, I talked to her earlier, I  
4 guess, Aisha.

5                   OLIVER: Yeah.

6                   JOHN: And we, and we were having some  
7 confusion as to the spelling of her first name. 'Cause  
8 she said there were several spellings for her first  
9 name.

10                  OLIVER: Um-hum.

11                  JOHN: What is the correct spelling of her  
12 first name?

13                  OLIVER: The correct spelling is A-I-S-H-A.

14                  JOHN: Okay.

15                  OLIVER: That's the correct spelling.

16                  JOHN: And, and that's it, just you and your  
17 sister are in there?

18                  OLIVER: Yeah.

19                  JOHN: As far as relatives are concerned.

20                  OLIVER: Yeah.

21                  JOHN: Do you understand, David and Steve and  
22 I have both discussed several nights now, that everyone  
23 in there is free to leave if they care to leave, all  
24 the men, all the women, all the, all the youngsters.  
25 And that's your understanding? That should you care to  
leave, you're certainly free to leave?

1 OLIVER: Oh, yeah.

2 JOHN: And no, and nobody's trying to exert  
3 any pressure upon you to leave, so that, that you are  
4 in fact staying in there on your own free will, is that  
5 correct?

6 OLIVER: That is correct, yes.

7 JOHN: And that David has told me that he has  
8 every intention of leaving and he wants to leave and  
9 he's just waiting to hear the word and that everybody  
10 then will come out, and he will bring his flock out  
11 with him, and --

12 OLIVER: Yeah, he --

13 JOHN: -- is that your impression?

14 OLIVER: Yeah, he's waiting on Big Daddy to  
15 give him the word.

16 JOHN: On who?

17 OLIVER: Big Daddy. God.

18 JOHN: Well, I guess that's one way to  
19 address him. I haven't really addressed him that way  
20 before.

21 OLIVER: Well, that's just my little nickname  
22 for him, that's all.

23 JOHN: Yeah. But you, you are, you are aware  
24 that, you know, you're free to leave, all you got to do  
25 is walk down the road and --

OLIVER: That is true.

1 JOHN: -- that's the way it'll be. How long  
2 have you been down there?

3 OLIVER: I think it's been about 11, 12  
4 months from now.

5 JOHN: Has it really.

6 OLIVER: Yeah. (Indiscernible)

7 JOHN: Having a tough week, huh? Difficult  
8 week --

9 OLIVER: Right.

10 JOHN: -- for all involved. Let me, let me  
11 ask you something else.

12 OLIVER: Go ahead.

13 JOHN: How come you have all those weapons in  
14 there? And, and I'm just asking for your own opinion,  
15 you know.

16 OLIVER: Well, we, you know, we, we know the  
17 prophecies and we know, we know what God --

18 JOHN: Uh-huh.

19 OLIVER: -- God, we know what the dragon's  
20 gonna do. We know.

21 JOHN: Um-hum.

22 OLIVER: So we, we, we were prepared for  
23 that, you know.

24 JOHN: And the, the only reason I ask is that  
25 I've never been in a, in a church or a religious  
community before that, that had the volume of weapons

1 | that you obviously have in there.

2 |           OLIVER: Um-hum.

3 |           JOHN: And I understand the Constitution, and  
4 | I, and I don't want you to, to think that I don't  
5 | understand about the right to bear arms and that, that  
6 | it's a right that we, we hold very dearly in this  
7 | country.

8 |           OLIVER: Um-hum.

9 |           JOHN: But I've just never been in a  
10 | religious setting that --

11 |           OLIVER: You probably think we've abused that  
12 | right, don't you?

13 |           JOHN: Huh?

14 |           OLIVER: You probably think we've abused that  
15 | right.

16 |           JOHN: Well, I'm not here to judge, you know.

17 |           OLIVER: Okay. Well, that's good, I'm --

18 |           JOHN: You, you've got different, you've got  
19 | different branches of the government. You got the  
20 | executive branch and the, the judicial branch and the  
21 | legislative branch, and it's up to the judicial branch  
22 | in our system to judge, not, not the executive branch  
23 | from which I'm a member, you know.

24 |           OLIVER: Um-hum.

25 |           JOHN: All I, my only hope is that it's all  
resolved peacefully. And I presume that's your hope.

1 OLIVER: Oh, for sure.

2 JOHN: You know, 'cause things have happened,  
3 they've happened, right? And we, we can't turn that  
4 clock around, can we? But we, but we can communicate,  
5 we can talk, and hopefully everything will be resolved  
6 successfully. And I believe it and I hope you believe  
7 it.

8 OLIVER: Yeah.

9 JOHN: Well, that's great.

10 OLIVER: Something like that.

11 JOHN: Do you have some message that you want  
12 me to --

13 OLIVER: To pass on to my parents?

14 JOHN: -- to pass on to your folks?

15 OLIVER: Tell them I love them.

16 JOHN: Okay.

17 OLIVER: That's about it, I guess.

18 JOHN: And you're all right?

19 OLIVER: I'm all right, I'm fine, I'm  
20 healthy, I'm strong, you know.

21 JOHN: Okay, and your sister's doing okay  
22 too?

23 OLIVER: I'm ready, I'm ready for any action  
24 you guys give out. That, that's all I want --

25 JOHN: Well, I think you're kind of  
preempting something, because I told Sherri and I told

1 | Graeme and I told Jean and, and everybody that I've  
2 | talked to in there, that we're very patient people, and  
3 | that --

4 |           OLIVER: Oh, we are too. We won't, you know  
5 | --

6 |           JOHN: -- and that we have no intention and  
7 | absolutely no intention to come into that facility.  
8 | We, we are gonna stay out here and we're gonna wait  
9 | till God gives David the word and when God gives --

10 |           OLIVER: Well, but --

11 |           JOHN: When God gives David the word that  
12 | he's coming out, which I know he will, it's not if he  
13 | will, I know he will, it's when he will --

14 |           OLIVER: That's it.

15 |           JOHN: -- and you all come out of there,  
16 | everybody will be safe and sound. And if there are  
17 | people that have been injured they'll be cared for.

18 |           OLIVER: Oh, yeah.

19 |           JOHN: And mothers will be able to get back  
20 | with their children, and families will be reunited.  
21 | And that's what it's all about, isn't it.

22 |           OLIVER: That's it.

23 |           JOHN: We're talking peace. We're not  
24 | talking --

25 |           OLIVER: Well, God talks about war a lot, you  
  | know. And it's all throughout the Bible.

1 JOHN: Yeah.

2 OLIVER: We all hope for the best, I'm sure

3 --

4 JOHN: But, you know, you can be a pessimist,  
5 you can be an optimist, can't you?

6 OLIVER: That is correct.

7 JOHN: Sure. The glass is half full, it's  
8 half empty, but I'm hoping that it'll all be resolved  
9 well. And I think David does and I think you do, don't  
10 you?

11 OLIVER: Oh, yeah.

12 JOHN: We don't want to see people hurt,  
13 people, people injured. Anything else you want me to  
14 discuss with somebody for you?

15 OLIVER: No, I've said about everything I  
16 want to say.

17 JOHN: Well, listen, you take care of  
18 yourself, huh?

19 OLIVER: Same to you, buddy.

20 JOHN: Okay.

21 OLIVER: Okay.

22 JOHN: I'll see you when you come out.

23 OLIVER: All right.

24 JOHN: All right.

25 OLIVER: I'll see you too.

JOHN: Okay.

1 OLIVER: Okay. Bye.

2 JOHN: Bye-bye.

3 OLIVER: I think he got kind of tired of  
4 talking.

5 \* \* \* \* \*

6 OLIVER: Hello? Hello?

7 JOHN: Hello.

8 OLIVER: Yes.

9 JOHN: Who's this?

10 OLIVER: This is Oliver.

11 JOHN: Hey, you hung up on me, pal. Is, is  
12 David still there, or is Steve there?

13 OLIVER: Sure, you want to speak to him?

14 JOHN: Either one.

15 OLIVER: Yeah. I'm sorry about that, I  
16 didn't think you wanted to speak to anyone.

17 JOHN: Well, I'm not --

18 OLIVER: He's right here.

19 JOHN: I'm not ready to go to bed yet.

20 \* \* \* \* \*

21 JOHN: Hey.

22 DAVID: I'm sorry. John?

23 JOHN: Yeah.

24 DAVID: Yeah, it was the phone again, they  
25 moved it and stuff and --

JOHN: If you look at it it goes bonkers,

1 | huh?

2 |           DAVID: It's, it's weird. It's the lines for  
3 | some reason, I don't know what it is.

4 |           JOHN: Yeah. How are you feeling?

5 |           DAVID: Anyway --

6 |           JOHN: How are you feeling?

7 |           DAVID: What have you, what have you found  
8 | out so far, talking with certain people?

9 |           JOHN: You got some good folks in there, huh?

10 |          DAVID: Well, I, I like to think that I've  
11 | chosen the best around the world.

12 |          JOHN: Well, I, I got a good lecture from  
13 | Sherri. I, I know she was proud of herself.

14 |          DAVID: Well, I don't, know, Sherri --

15 |          JOHN: She's a, she's a good person.

16 |          DAVID: Sherri's the kind of girl who'd do  
17 | anything for a person.

18 |          JOHN: She got kind of pumped up.

19 |          DAVID: Well, now.

20 |          JOHN: Huh?

21 |          DAVID: Well, now.

22 |          JOHN: Hey.

23 |          DAVID: It's an eventful event these days,  
24 | you know.

25 |          JOHN: Yeah, I know, I know.

          DAVID: Little Ali --

1 JOHN: A lot of people, a lot of people are  
2 under a lot of stress, huh?

3 DAVID: Little Ali, I have to --

4 JOHN: He's just a little guy?

5 DAVID: No, he's a pretty big guy, he's into  
6 martial arts and all that.

7 JOHN: Yeah, uh-huh.

8 DAVID: He, he was wanting to jump out there  
9 and whomp one of your ATF agents.

10 JOHN: Uh-huh.

11 DAVID: But he's, we have to keep him kind of  
12 under control a bit, 'cause he's, he's got, holds a lot  
13 of grudges, and we have to kind of watch him.

14 JOHN: Well, he sounded fine on the phone.

15 DAVID: He's --

16 JOHN: You know, and --

17 DAVID: He's the kind of character I have to  
18 tell him, you know, exhibitioning that makes yourself  
19 no better than the others. You know.

20 JOHN: How are you feeling?

21 DAVID: Oh, I feel pretty good.

22 JOHN: You getting around a little more?

23 DAVID: Well, you know, it's very, it's  
24 minimal, you know. If I, if I walk say --

25 JOHN: Uh-huh.

DAVID: You know, if I walk say 30, 40 yards

1 | and walk back, it's like I ran a 100-yard dash. I  
2 | mean, it's -- the old body, you know, it's, it's gone  
3 | through a dramatic experience.

4 |           JOHN: Yeah. I listened to kind of an  
5 | interesting tape this evening. It was, I guess your  
6 | call to 911 last Sunday.

7 |           DAVID: Well, what does it say? Was it my  
8 | call or was it, it was Steve's and Wayne, I guess.

9 |           JOHN: I think it was, I think -- no, it was  
10 | yours, because there was an early call from Wayne, and  
11 | I listened to that one, and then, then there was your  
12 | call on there.

13 |           DAVID: Is that that guy named Lynch?

14 |           JOHN: It could have been, yeah.

15 |           DAVID: Yeah, Larry, Harry Lynch, something  
16 | like that?

17 |           JOHN: There were --

18 |           DAVID: Yeah.

19 |           JOHN: There were a couple of people. There  
20 | was, Lynch answered the phone and then someone else was  
21 | on the phone also.

22 |           DAVID: Yeah.

23 |           JOHN: And it sounded like just a terrible,  
24 | terrible situation, huh?

25 |           DAVID: Oh, it was.

          JOHN: Yeah.

1                   DAVID: What can you do?  
2                   JOHN: But you sounded, you sounded pretty  
3 healthy at that point.  
4                   DAVID: I wasn't shot yet.  
5                   JOHN: Oh, really?  
6                   DAVID: Really.  
7                   JOHN: God, I was wondering how in the world  
8 somebody that had gone through what you had gone  
9 through could sound that way.  
10                  DAVID: No, that was, they --  
11                  JOHN: That was early on?  
12                  DAVID: When that conversation was taking  
13 place --  
14                  JOHN: Early on?  
15                  DAVID: Yeah. When Steve --  
16                  JOHN: Yeah.  
17                  DAVID: When Lynch was called -- when was it  
18 I talked to him? (Unidentified male voice in  
19 background not discernible.) Yeah, I remember talking  
20 to, or you ran and gave the phone to me and I talked to  
21 somebody real quick? (Unidentified male voice in  
22 background not discernible.) Okay, and then that's  
23 when I left. Then afterwards I got shot.  
24                  JOHN: Yeah, I heard that, and I said man,  
25 how could, how could he have been shot. And in a lot  
of excruciating pain, so it obviously happened first,

1 | huh?

2 |           DAVID: Yeah. I would -- like I said, I'd  
3 | show you some pictures, but you, you boneheads, you  
4 | always, okay, sure we'll have some pictures. Now send  
5 | out some kids.

6 |           JOHN: Well, I'm waiting to see the pictures.  
7 | You know that. I, I told you last night when you said  
8 | you were gonna send them out that I'd welcome them.  
9 | Send them on out. Listen, Steve said that -- excuse  
10 | me. It's not the company. Steve said that you're  
11 | going to have a, a service tomorrow between 10 and 11,  
12 | huh?

13 |           DAVID: No. The, the worship, the daily is  
14 | between 8 and 9.

15 |           JOHN: Pardon me?

16 |           DAVID: Between 8 and 9 and 2 and 3. That's  
17 | the daily.

18 |           JOHN: Oh, no, I don't mean prayer. I mean a  
19 | service outside.

20 |           DAVID: Oh, right, the burial.

21 |           JOHN: Yeah, yeah, between 10 and 11.

22 |           DAVID: Yeah.

23 |           JOHN: Yeah, okay. I just wanted to make  
24 | sure everything was squared away, that there aren't any  
25 | time changes. And, and you could do me a big favor if,  
   | if one of you would call in the morning and, and talk

1 to somebody in here about, before you go out.

2 DAVID: You know, it really, it really blows  
3 me away that you guys have such a rotten attitude on  
4 this.

5 JOHN: I don't think we do.

6 DAVID: You know, if -- I wish I'd had some  
7 hindsight and seen exactly how really --

8 JOHN: Some what?

9 DAVID: -- really cynical you guys really  
10 are.

11 JOHN: Some what?

12 DAVID: It might have been my, in my, in my  
13 -- I wish I had some hindsight, you know, to where I  
14 could have actually seen, you know, how really cynical  
15 you guys really are. You know, while you're, while  
16 your wounded and dead are laying around here, you're so  
17 interested and all that. And then, you know, while we  
18 find, when we find our people, you know, then all of a  
19 sudden you just don't give a damn.

20 JOHN: Well, we are, we do care and we told  
21 you that --

22 DAVID: Oh, yeah, your conditions are very  
23 stupid, too.

24 JOHN: -- how, how it could be worked out.  
25 And hey, you've chosen it --

DAVID: It's gonna, it's gonna, it's gonna be

1 | worked out.

2 |           JOHN: You, you've chosen to do something  
3 | else and that's fine.

4 |           DAVID: Like I say, you're gonna be, you're  
5 | gonna be punished. You know, you're gonna be punished.  
6 | Your reasoning, your controlled oratation (sic), you  
7 | know, your discerment (Phonetic) unconcernment (sic)  
8 | for the situation. You're a cold heart. You know,  
9 | you're just a freezer, you know what I'm saying? Like  
10 | I said, you know, you remind me of, like my dad, my  
11 | stepdad. All talk, you know, like, it's like someone  
12 | puts their quarter in a slot --

13 |           JOHN: Hey, you didn't say he was such a --

14 |           DAVID: -- you know, and you operate.

15 |           JOHN: You didn't say he was such a bad guy,  
16 | though.

17 |           DAVID: Oh, I told you. I said we never  
18 | really knew him.

19 |           JOHN: Yeah.

20 |           DAVID: Well?

21 |           JOHN: Well, that doesn't mean he was bad,  
22 | huh?

23 |           DAVID: Oh, yeah he was bad. He was a  
24 | gangster.

25 |           JOHN: He finally, he finally came around,  
| didn't he?

1           DAVID: But, but one of your, but one of  
2 your, one of your assistants, one of your assistants  
3 let him go because you all liked each other.

4           JOHN: Let, let me ask you something. I want  
5 to --

6           DAVID: That's what I was gonna teach you.

7           JOHN: I want to, I want to get some, some  
8 details as to what you all intend to do, you know,  
9 between 9 and 10 tomorrow with Peter, so, and, and  
10 exactly where so I can let our, our folks know.

11          DAVID: Hey, they'll --

12          JOHN: You'll be right out across from the  
13 flag pole there?

14          DAVID: Yeah, they'll know. They'll see us.

15          JOHN: Well, just, just don't, just don't go  
16 indiscriminately wondering out some place, huh? Do you  
17 understand what I'm saying?

18          DAVID: Yeah, I hear what you're saying.

19          JOHN: And, and somebody, we've got to have  
20 communications and we got to maintain communications.

21          DAVID: I communicated with that. I told you  
22 what I was gonna do.

23          JOHN: But I don't want any surprises  
24 tomorrow, somebody come bouncing out of there. I want  
25 somebody to communicate before it happens and if people  
are going to carrying shovels, I want to know if people

1 | are carrying shovels.

2 |           DAVID: So what are you gonna, what, are you  
3 | gonna try to shoot somebody, is that what you're gonna  
4 | do?

5 |           JOHN: Of course not. Of course not. But we  
6 | want to be reasonable and we want to be sensible about  
7 | this, huh? Other, otherwise --

8 |           DAVID: Hey, listen.

9 |           JOHN: -- I wouldn't be talking to you, would  
10 | I.

11 |           DAVID: Listen. Listen. I wouldn't be  
12 | talking to you if I wasn't trying to give you guys a  
13 | half a chance. Bringing that many law enforcement  
14 | agencies, three helicopters, two trucks with the  
15 | gooseneck trailers loaded down with ATF agents is not  
16 | very sensible in my book. And if it's in your book, I  
17 | think you better throw your book away.

18 |           JOHN: What, what's done is done, huh?

19 |           DAVID: Yeah. And I think someone's gonna  
20 | pay.

21 |           JOHN: I can't turn that around. You can't  
22 | turn it around.

23 |           DAVID: Somebody's gonna -- oh, yeah, well,  
24 | we'll see. Someone's gonna pay.

25 |           JOHN: I can't turn it around and you can't  
turn it around. You know, and all we can try to do is

1 | communicate and try to use some common sense, huh?

2 |         DAVID: Common --

3 |         JOHN: And try to --

4 |         DAVID: Common sense?

5 |         JOHN: -- try to work this thing out  
6 | peacefully.

7 |         DAVID: Common sense? No.

8 |         JOHN: Yeah.

9 |         DAVID: Boy, I think you need to get a  
10 | dictionary and before you talk, you need to go and  
11 | reference all the words you're fixing to use. Common  
12 | sense.

13 |         JOHN: Remember what apparently the --

14 |         DAVID: Hey, where's the milk?

15 |         JOHN: Huh?

16 |         DAVID: Where's the milk?

17 |         JOHN: What, what did we say?

18 |         DAVID: What did we say before?

19 |         JOHN: What did we say before when?

20 |         DAVID: So, you're, you're gonna keep lying  
21 | to us and like I say, it's gonna come down to the draw.

22 |         JOHN: No, it isn't. It's all gonna work out  
23 | fine. But remember, you agreed that no one was gonna  
24 | exit the building with a weapon. And that there would  
25 | be communications before anybody exited any buildings,  
   | right? Just live up to that, huh?

1 DAVID: Yeah, we told you --

2 JOHN: I don't want anything to happen, you  
3 don't want anything to happen either.

4 DAVID: Well, the news wants something to  
5 happen. The news wants to see some firecrackers.

6 JOHN: Well, why do people go to the  
7 Indianapolis 500?

8 DAVID: Why do they go see movies all the  
9 time?

10 JOHN: Sure.

11 DAVID: Terminator and Destroyer and all that  
12 kind of stuff. They like it. They dig it.

13 JOHN: Huh.

14 DAVID: This is the way, this is the way your  
15 country is.

16 JOHN: What, what were you watching on the  
17 tube tonight? Huh?

18 DAVID: What did you watch?

19 JOHN: No, I said what were you watching  
20 tonight.

21 DAVID: Nothing, only --

22 JOHN: You --

23 DAVID: I only have, I don't have an antenna,  
24 I only got one channel.

25 JOHN: You don't have an antenna?

DAVID: No.

1           JOHN: I thought you had a big dish over  
2 there.

3           DAVID: It doesn't work. You all shot it up.

4           JOHN: No.

5           DAVID: You did.

6           JOHN: Not really. Huh?

7           DAVID: You did.

8           JOHN: You're kidding me.

9           DAVID: I told you that --

10          JOHN: You only have one channel?

11          DAVID: We got one TV.

12          JOHN: Well, you must have some videotapes  
13 you can watch, huh?

14          DAVID: The VCR was shot up too. Now, we got  
15 a VCR, but it's not hooked up to this TV.

16          JOHN: Uh-huh.

17          DAVID: They hooked it up to the other TV,  
18 which doesn't have an antenna which was connected to  
19 the satellite, and the T -- and the videotape you  
20 brought, it was, it was blank.

21          JOHN: Well, hey, before, before anybody does  
22 any moving around tomorrow, please give somebody a call  
23 here, huh?

24          DAVID: Want a Bible study?

25          JOHN: I don't know if I'm ready for one  
tonight. I may let you have a good night's sleep --

1           DAVID: Well, you --

2           JOHN: -- we get into a lot of -- I had a  
3 Bible study talking to Sylvia.

4           DAVID: Sylvia?

5           JOHN: I don't mean Sylvia, Sherri.

6           DAVID: Sherri?

7           JOHN: Sherri. Boy, she was pumped up, huh?

8           DAVID: Oh, boy, she was a, she was a hard  
9 person in the beginning, though.

10          JOHN: You're kidding.

11          DAVID: Oh, a lot of these people were.

12          JOHN: That's hard to believe.

13          DAVID: That's why I keep talking with you.

14          JOHN: She -- (Laughs.)

15          DAVID: Maybe, maybe you might see the light.

16          JOHN: She didn't say, she didn't seem to  
17 think it was too difficult to grasp.

18          DAVID: Oh, in the beginning they were, you  
19 know, they already had their beliefs and things like  
20 that, and you know, yeah, they didn't mind hearing  
21 about Jesus, but, you know, what, "What are you trying  
22 to say?" they kept saying. "What's your point? What's  
23 your point? What are you trying to say?" So you know,  
24 I had to work real slow with them.

25          JOHN: Yeah.

          DAVID: Most people don't realize there's a

1 | New Testament that revolves around Christ, the  
2 | sanctuary and truth that's supposed to come in the  
3 | latter days.

4 |           JOHN: What, what do you think the intentions  
5 | are tomorrow? You just gonna go across and have a  
6 | little, a little service there?

7 |           DAVID: Got to go dig --

8 |           JOHN: Are you going to be able to make it?  
9 | Are you going to be able to get across there?

10 |          DAVID: No, I'm not going to be able to get  
11 | across.

12 |          JOHN: You're not? You don't feel that well,  
13 | huh?

14 |          DAVID: Well, I mean, that's a big, pretty  
15 | big step there, you know, stepping off on the front  
16 | there.

17 |          JOHN: I don't know, I, you know, I haven't  
18 | been there. I haven't seen it. I just don't know  
19 | what's over there. All I've seen is a picture and, and  
20 | I know that there's a building there and there's a flag  
21 | pole and what, a walkway or something. Or no walkway?

22 |          DAVID: No, there's a walkway in the front,  
23 | yeah.

24 |          JOHN: Yeah. And I, I didn't know how  
25 | difficult it would be. And, but I understand that  
Steve says they were just going to go across the road

1 | there and, from the flag pole and, and have their ser--  
2 | burial service there. And I'm sure you'll have a  
3 | service inside before, I guess, huh? That you can  
4 | participate in.

5 |               DAVID: Man, you guys are really funny.

6 |               JOHN: Why? We're funny, yeah, I know. The  
7 | five kids?

8 |               DAVID: Yeah, I'm looking right at you right  
9 | now.

10 |              JOHN: I know. You think. How long do you  
11 | think this is take tomorrow?

12 |              DAVID: I don't know.

13 |              JOHN: About an hour?

14 |              DAVID: Oh, it may take an hour to dig the  
15 | hole.

16 |              JOHN: I mean, do you intend to send a couple  
17 | of people out early to do that and then have the  
18 | service afterwards?

19 |              DAVID: Yeah, probably.

20 |              JOHN: Okay.

21 |              DAVID: Be sure and tell his mom and dad;  
22 | though.

23 |              JOHN: You bet. You bet. Does he have any  
24 | relatives in there at all?

25 |              DAVID: Yeah.

              JOHN: I mean, that are still inside there?

1           DAVID: Oh, yeah.

2           JOHN: Okay.

3           DAVID: Yeah, he's got, he's got about, let's  
4 see, one, two, three, four, four relatives.

5           JOHN: Have anybody else that you have to  
6 handle the same way?

7           DAVID: Nope.

8           JOHN: That's good. I'm glad to hear that,  
9 because there was some concern that there was, you  
10 know, and I'm glad to hear that you don't.

11          DAVID: Well, when you all said, when they  
12 were saying we had 14 or 15 wounded, you all was asking  
13 the kids, the kids were probably repeating what was  
14 said about the ATF agents over the TV.

15          JOHN: It could be.

16          DAVID: Over the radio.

17          JOHN: It could be.

18          DAVID: So it blew me away, I thought man,  
19 for kids that are so unstable that don't know anything,  
20 boy, you all -- (Laughs.) Oh, boy.

21          JOHN: Hey, they're good kids. They've been  
22 through a lot, though.

23          DAVID: Oh, we know they're good kids.

24          JOHN: Yeah.

25          DAVID: They're the best in the world.  
They've had the best training.

1           JOHN: And they've been through a traumatic  
2 experience, you know, and, and it was tough on all of  
3 them, I'm sure, you know, as it was on, on the adults.  
4 They don't expect to go through something like that  
5 either, do they?

6           DAVID: Well, like Ali was telling you about  
7 war all through the scriptures. Like, well, like I  
8 say, you don't believe, why should I waste our time.

9           JOHN: I enjoy listening though, sometimes.  
10 Just not into -- I don't like to get into a debate like  
11 with Sherri. And then Sherri wanted to, she wanted to  
12 get kind of offensive there. It's not my style.

13           DAVID: Where did you learn your, where did  
14 -- did you go to Jesuit's College also?

15           JOHN: (Laughs.) Why? No, I didn't.

16           DAVID: You didn't.

17           JOHN: No. Where did you get your --

18           JOHN: I was Augustinian-trained.

19           JOHN: What's that?

20           DAVID: That's an order of priests.

21           JOHN: I see. How many other guys out there  
22 of those, of those five kids, how many of them were  
23 also Augustinian-trained?

24           JOHN: Well, I don't, I don't know what their  
25 religious backgrounds are. I, I have no idea.

          DAVID: Oh, so, so most of them so far is

1 Catholic, the one I've talked to.

2 JOHN: Is that, is that a good trait or a bad  
3 trait, huh?

4 DAVID: Well, it depends. Depends on how  
5 much you know about it. If you don't know that much  
6 about it, yeah, we can have grace. If you know a lot  
7 about it, we're dead-set enemies, aren't we.

8 JOHN: Well, I don't think we are, are we.

9 DAVID: Yeah, I think so.

10 JOHN: I think we both want to resolve this  
11 thing the same way, don't we.

12 DAVID: Well --

13 JOHN: Peacefully.

14 DAVID: Some say peace, and yet their hearts  
15 are full of war, you know how the scriptures go.

16 JOHN: Well, you know how my heart is. I've  
17 tried to explain it many times. I haven't, I haven't  
18 talked in riddles and I haven't talked in, in any other  
19 manner.

20 DAVID: Well, let's call it parables. You  
21 know, Christ spake in parables so that the wicked, you  
22 know, wouldn't understand him. Of course the simple,  
23 the childlike, those who, that opens their heart and  
24 mind, they understand what's being said. It's funny  
25 how God does things like that. Catch the wicked in  
their pride, bring down all their arrogance and pride.

1 | Final warnings, none heeded. Then executive judgement.

2 | Got an investigative, judicial, --

3 |         JOHN: And a legislative.

4 |         DAVID: -- and an executive. Yeah, God's got  
5 | a system like that.

6 |         JOHN: He does, doesn't He?

7 |         DAVID: Yeah. He sends the truth into the  
8 | world. When you hear it, you investigate it. If you  
9 | don't, then you're being judged. And then all of a  
10 | sudden the penalties God pronounces the ungodly who  
11 | reject His truth will be executed.

12 |         JOHN: Yeah.

13 |         DAVID: And the rewards that God has  
14 | pronounced for the righteous who have listened will be  
15 | executed. Anyway, I guess I'll let you get some sleep.

16 |         JOHN: Let me ask you a couple, couple things  
17 | that we, that we kicked around earlier today, huh?

18 |         DAVID: Sure, go ahead.

19 |         JOHN: The, I -- first of all, I appreciate  
20 | your putting those people on the line with me, I really  
21 | do.

22 |         DAVID: Well, that's their right. That's  
23 | their God-given and American right.

24 |         JOHN: Well, I know some were probably  
25 | reluctant to do it and maybe you give them a little  
   | prodding.

1           DAVID: Well, there's freedom -- well, I keep  
2 telling them, I say, you know, there's nothing that's  
3 gonna harm them.

4           JOHN: No.

5           DAVID: It's their freedom of speech.

6           JOHN: You sound tired.

7           DAVID: Oh, a little.

8           JOHN: You got a good night's sleep last  
9 night.

10          DAVID: No, I didn't.

11          JOHN: How come?

12          DAVID: Remember I'm praying for you.

13          JOHN: (Laughs.) God, I guess you were up  
14 all night, huh?

15          DAVID: All the time.

16          JOHN: But I, I want to thank you for, for  
17 having those people talk to us, and --

18          DAVID: Got to also remember, I lost over  
19 three pints of blood, too.

20          JOHN: Yeah, but you sure sounded --

21          DAVID: I'm a strong person --

22          JOHN: You sounded chipper two nights ago.

23          JOHN: Well, it comes and goes, it comes and  
24 goes. Depends on what time you catch me.

25          JOHN: You really sounded good.

          DAVID: Well, I appreciate that.

1               JOHN: You know, you were, you were on a roll  
2 and, and I really hope, you know, that you get some  
3 rest and get some soup and other things in you.

4               DAVID: Got to build some blood back up.

5               JOHN: You bet. Build up your strength,  
6 'cause I want to be there waiting for you when you come  
7 walking out.

8               DAVID: Okey-doke.

9               JOHN: There's, there's a couple of people  
10 that I didn't get to talk to, and --

11              DAVID: Which people is that?

12              JOHN: It was Wayne Martin's wife, I guess,  
13 Sheila.

14              DAVID: Uh-huh.

15              JOHN: The Fatta's, Paul Fatta, Kalani Fatta.

16              DAVID: Uh-huh.

17              JOHN: And Perry Jones, who was Rachel's -- I  
18 think she said her dad.

19              DAVID: Oh, boy, she's teed at you.

20              JOHN: Why?

21              DAVID: Why?

22              JOHN: I thought Rachel and I had a, had a  
23 nice talk and that --

24              DAVID: You are --

25              JOHN: -- and we had a nice chat with the  
kids.

1 DAVID: He's an older man.

2 JOHN: Uh-huh.

3 DAVID: Anyway, we'll work that out tomorrow.

4 JOHN: Let me ask you two things. Then we'll  
5 call it a night, huh? Okay?

6 DAVID: Okay, two more things, go ahead.

7 JOHN: 'Cause you sure sound tired.

8 DAVID: Well, go ahead.

9 JOHN: How are we gonna resolve this thing?  
10 That's one. What are you gonna tell me now? That's  
11 one.

12 DAVID: I've already told you.

13 JOHN: When you get the word?

14 DAVID: When you get the word I'll come out.

15 JOHN: No, when you get the word, right?

16 DAVID: When I get the word --

17 JOHN: Uh-huh.

18 DAVID: -- I'll be out.

19 JOHN: You got any ideas how close we're  
20 getting? Whether things are getting better or that  
21 things aren't getting better.

22 DAVID: Well, I mean, sh-- the things are not  
23 gonna get any better or any worse.

24 JOHN: Huh? Well, yeah, some things will get  
25 better.

DAVID: (Laughs.)

1 JOHN: I hope.

2 DAVID: Oh, boy.

3 JOHN: I hope you get better, huh?

4 DAVID: Yeah, I want to get better.

5 JOHN: Just don't laugh too much, now, don't  
6 sneeze, don't cough.

7 DAVID: Yeah, well, it's not, it's not --

8 JOHN: Don't look at, don't look at those  
9 five kids.

10 DAVID: Oh, boy, that really -- I enjoyed  
11 every, every pain when I laughed on that one.

12 JOHN: (Laughs.) I bet you did, huh? And,  
13 and I, I was asked to ask you that at the press  
14 conference tomorrow, you know, they have these daily  
15 press conferences. Usually I'm sleeping, so I don't  
16 get to see the press conferences. But I was asked as  
17 to whether or not you wanted to be addressed as the  
18 Lamb, as David, as Christ, or as the Lord.

19 DAVID: My name is David Koresh.

20 JOHN: Uh-huh.

21 DAVID: And that's what you need to call me  
22 by.

23 JOHN: Okay.

24 DAVID: Because you don't know if I'm the  
25 Lamb or Christ.

JOHN: Well, I know what you told me.

1               DAVID: Or the Lord. Well, it's like this.

2               JOHN: You told me, what, at least five  
3 times.

4               DAVID: I showed you something and you were  
5 looking at it.

6               JOHN: Uh-huh.

7               DAVID: But you refused to see. so I'm going  
8 to show you something --

9               JOHN: Well, I'm trying.

10              DAVID: I'm going to show you something in  
11 the future where you will not be able to deny.

12              JOHN: Okay.

13              DAVID: Okay?

14              JOHN: You would like to be continued to be  
15 addressed as David.

16              DAVID: That's what people should know me as,  
17 David Koresh.

18              JOHN: Okay.

19              DAVID: My name. It's my legal name.

20              JOHN: Listen, you have a good night's rest,  
21 huh?

22              DAVID: Okey-doke.

23              JOHN: And take care of yourself. And maybe  
24 in the morning, I can talk to Perry if he's not upset,  
25 to Sheila, to Paul, and Kalani.

              DAVID: Okey-doke.

1 JOHN: Okay.

2 DAVID: Lylatov.

3 JOHN: Shalom.

4 DAVID: Bye.

5 (A brief conversation ensued between  
6 negotiator and another federal employee who called in  
7 and was directed to use another telephone line.)

8 (End Tape #90.)

TAPE # 91  
3/8/93  
2:58 A.M. - 1:12 P.M.

1 (Tape 91)  
2 STEVE: Hello. Hello.  
3 JOHN-2: Hello.  
4 STEVE: Hello.  
5 JOHN-2: Steve?  
6 STEVE: Yeah.  
7 JOHN-2: Good morning. This is John.  
8 STEVE: Hello, John.  
9 JOHN-2: How are you this morning?  
10 STEVE: A little tired.  
11 JOHN-2: A little tired?  
12 STEVE: Um-hum.  
13 JOHN-2: Well, it's another day. How are you  
14 feeling?  
15 STEVE: The same, tired.  
16 JOHN-2: Tired? You just got up. How's  
17 David doing?  
18 STEVE: Everybody seems to be, the majority  
19 of them that I can tell are all sleeping.  
20 JOHN-2: All sleeping? How's, how's his  
21 wounds doing?  
22 STEVE: They seem to be doing okay from,  
23 they're looking at him carefully of course, keeping an  
24 eye on it, --  
25 JOHN-2: Um-hum.  
STEVE: -- and, seems to be okay, but, you

1 | know, it's something that I haven't seen before.

2 |         JOHN-2: Yeah, no change in the color?

3 |         STEVE: No, I guess not. Well, I don't think  
4 | so anyway. I don't know that for sure.

5 |         JOHN-2: We just, I know you're sleepy, and I  
6 | know you don't know what's going on there. We just got  
7 | a report from one of those guys around outside that  
8 | they saw a weapon in, I guess as you're looking at the  
9 | front door it would be on the construction side of the  
10 | building, supposedly --

11 |         STEVE: I wonder if that's the same report  
12 | that they gave me about sometime early in the evening.  
13 | It sounds like the same one.

14 |         JOHN-2: It supposedly is a muzzle of a gun  
15 | out of a window.

16 |         STEVE: I don't see it. Someone on the  
17 | construction side of the building or something, with  
18 | what did they have or what?

19 |         JOHN-2: It's a muzzle. It was described to  
20 | me --

21 |         STEVE: As a muzzle?

22 |         JOHN-2: Muzzle of a weapon. Out of, you  
23 | know on the construction side of the building?

24 |         STEVE: I wonder if they were seeing things  
25 | 'cause I went and checked, you know, everywhere and  
everybody, in fact there was no truth to it.

1 JOHN-2: No truth to it? Everybody up there  
2 is aware of the rules and the safety and all that  
3 stuff, right?

4 STEVE: Well, you know, I don't know if, who  
5 am I speaking to by the way?

6 JOHN-2: This is John. Yeah, I'm not the  
7 John that's on the night shift.

8 STEVE: No, I realize that.

9 JOHN-2: This is John-2. New John.

10 STEVE: New John.

11 JOHN-2: New John, new day. So, would it be  
12 possible, is there --

13 STEVE: -- is a new John.

14 JOHN-2: New John, right. Is there anybody  
15 around there, Steve, that could take --

16 STEVE: A look?

17 JOHN-2: Take a look up there?

18 STEVE: Well right now there isn't, but let  
19 me look around and see what I can get going --

20 JOHN-2: Okay, yeah, would you mind doing  
21 that and give us a buzz back?

22 STEVE: John, let me --

23 JOHN-2: Let me give you a little idea of  
24 where it is though, just so you have some kind of idea.

25 STEVE: John, tell 'em not to worry about it.  
Who's ever out there in those bath tubs or whatever,

1 | tell 'em not to worry 'cause, you know, they're safe  
2 | and after we left out all the wounded and all those  
3 | that got hurt a week ago Sunday, I mean, that's our  
4 | attitude and spirit.

5 |           JOHN-2: Okay. I was just trying to, trying  
6 | to give you, give you some better idea of it myself,  
7 | but all I just know is that it's on the construction  
8 | side, --

9 |           STEVE: John.

10 |          JOHN-2: Yeah.

11 |          STEVE: You're a new guy --

12 |          JOHN-2: I'm new.

13 |          STEVE: I hope we can do things better now  
14 | and, here's what it's like. I mean, here are these,  
15 | okay, you've heard the tapes, I'm sure you've been  
16 | briefed by all these guys before you, but just real  
17 | quickly, just one thing here. Sunday night, we had an  
18 | agreement with Jim. It was very plain and clear that  
19 | three of these Bradley's would be coming to the  
20 | perimeter of the property, but they would not come onto  
21 | the property. It's never happened that way. They've  
22 | been on the property, they've moved all over at night  
23 | and at different times. They've run over the cemetery,  
24 | the guard shacks, they've moved our motorcycles out of  
25 | the back garage. They've put up sandpiles, they've  
   | been into our automobiles. They've pointed .25

1 millimeter guns at us, -- continually, -- can you hear  
2 me? John?

3 JOHN-2: Yes, I'm listening.

4 STEVE: Okay. They've pointed these guns at  
5 us. In fact, there's once I looked out the window  
6 myself just to see what kind of a day it was and I  
7 happened to look down at one and it had a, some muzzle  
8 pointed at me, and yesterday I get this report from  
9 Dick about somebody with a muzzle pointed out a window.

10 JOHN-2: Okay, I just got another note on  
11 that. Maybe I can clarify it for you.

12 STEVE: All right.

13 JOHN-2: It's not a window itself, but  
14 apparently Steve, somebody's knocked a hole in the  
15 outer stucco or outer frame and the weapon or the  
16 muzzle is protruding through that hole in the, next to  
17 the window. Like a porthole.

18 STEVE: Well, I don't know anything about it.  
19 I, I would tell them not to worry about it because no  
20 one's going to do anything without, --

21 JOHN-2: Yeah, well --

22 STEVE: -- some kind of --

23 JOHN-2: I know you're groggy. Is there any  
24 chance you could get up and take a look at that  
25 yourself and give me a buzz back?

STEVE: Why don't we, why don't we leave that

1 go right now because, unless, see, if you look into the  
2 back, if you came over here right now or you were --

3 JOHN-2: No, they --

4 STEVE: If you were flying over in a  
5 helicopter or something, you would notice that out by  
6 the back garage or out in the front, there are .25  
7 millimeter guns pointed at the building, and pointed at  
8 people inside. If they want to turn --

9 JOHN-2: No, that's, that's not true now.  
10 You can take a look out there and you won't see --

11 STEVE: Is that right?

12 JOHN-2: Yes, yeah, yeah. But do me a favor,  
13 would you --?

14 STEVE: Okay, just, just a moment here.

15 JOHN-2: Okay, I appreciate it.

16 STEVE: I'm looking around here. I would  
17 have to get up and go down there because there's nobody  
18 even near me.

19 JOHN-2: Okay. That would be great. How  
20 about doing that and giving us a buzz back. That's  
21 actually a hole next to a window. Like a porthole.  
22 Okay, on the construction side, on the north end.

23 STEVE: What level?

24 JOHN-2: What level? The upstairs. The top  
25 uppermost level, level 2.

STEVE: Level 2.

1                   JOHN-2: And it's a hole next to a window.  
2 Not a window itself.  
3                   STEVE: Let me go take a look.  
4                   JOHN-2: Great. Thank you.  
5                   STEVE: Sure. Bye.  
6                   {gap}  
7                   STEVE: Hello.  
8                   JOHN-2: Steve?  
9                   STEVE: Yeah.  
10                  JOHN-2: John.  
11                  STEVE: Yeah.  
12                  JOHN-2: How's it going?  
13                  STEVE: Still tired.  
14                  JOHN-2: Okay. Did you check on that barrel?  
15                  STEVE: Yes, I did.  
16                  JOHN-2: Okay. And --  
17                  STEVE: There's nothing there.  
18                  JOHN-2: Nothing there?  
19                  STEVE: Somebody's got a very awesome  
20 imagination out there.  
21                  JOHN-2: Okay. Hey --  
22                  STEVE: Two, that's two reports on the same  
23 thing. A third report, how, okay, look, yesterday, it  
24 was after four o'clock sometime, I got a call from Dick  
25 and he was so extremely excited about someone wearing a  
camouflage jacket and he said something about a

1 | balaclava, I never had heard of it before so I says,  
2 | what are you talking about, slow down, don't get so  
3 | excited. Come to find out some girl that had darker  
4 | skin was looking out the window and apparently these  
5 | guys were nervous, -- I'm wondering if these guys  
6 | aren't seeing, maybe angels or something.

7 |           JOHN-2: As far as you were mentioning that  
8 | the Bradley's had guns on them and cannons, I wanted to  
9 | make a, one thing that's probably somehow gotten  
10 | distorted over the days. Those vehicles do not, do not  
11 | have guns on them. If you'll take a look at them, they  
12 | have like a socket where a gun could be mounted into  
13 | the socket, however, there are no weapons on the  
14 | Bradley's. In other words, you can mount a barrel into  
15 | that socket, but as they stand now, they do not have a  
16 | weapon on them. It's just a giant socket. So they're  
17 | basically personnel carriers. But that socket is meant  
18 | to carry a weapon, but at the present time, there is no  
19 | weapon on it.

20 |           STEVE: I must be going senile then, because  
21 | I looked out the window and I saw --

22 |           JOHN-2: Yeah, well, if you --

23 |           STEVE: I saw a barrel pointed at me.

24 |           JOHN-2: No, yeah, I tell you what. Not a  
25 | scope, but just a regular old pair of binoculars will  
do it. Just take a look at where that socket is on

1 | that turret, and you can look at it and there is no  
2 | barrel in the socket.

3 |           STEVE: But John, now, now think of the  
4 | insanity of it all. When that happened Sunday, a week  
5 | ago Sunday, --

6 |           JOHN-2: It's been a week.

7 |           STEVE: We were the first ones that made a  
8 | phone call to whoever, a 911, the fir -- in fact, it  
9 | was me on the phone, Wayne Martin and myself, --

10 |           JOHN-2: I know that.

11 |           STEVE: We were screaming as to what is going  
12 | on here, I mean, people were being dropped and wounded.  
13 | We had no idea from anybody. Anyway, in the process,  
14 | it was us that said they could get the wounded and take  
15 | off all -- So now, what do you think? Do you think  
16 | we're going to sit up here and aggravate and point  
17 | weapons at someone because we want to take lives and,  
18 | -- Let's be real, okay?

19 |           JOHN-2: Yeah. No, I, like I said --

20 |           STEVE: So all these kind of reports, it's  
21 | such foolishness. I mean, yesterday, two reports like,  
22 | same thing, and there was nothing to it again. What is  
23 | going on? Is this some kind of a new psychology or  
24 | something?

25 |           JOHN-2: No, no, no. It's not new  
psychology.

1 STEVE: Okay, --

2 JOHN-2: But I just wanted, I wanted --

3 STEVE: -- if they're sitting in such thick,

4 thick armament and moving around, running over

5 cemeteries, guard shacks, moving -- tell them to worry

6 more about that. Say a word was given, and of course,

7 you guys are in control of that. You guys are the

8 commando's, so, --

9 JOHN-2: No, I'm not a commando.

10 STEVE: Look, you know, the truth of the

11 matter is, people are getting tired of that sort of

12 thing here. They really are. I'm talking to you

13 because you, okay, you're a new guy. I'm trying to be

14 decent with you, but it's not going to last long if

15 that kind of thing continues to be the program.

16 JOHN-2: Well, we just want to move on from

17 this point, you know? I think we --

18 STEVE: Well, no, no, no. You guys, it's

19 like you have no ears at all.

20 JOHN-2: I'm listening.

21 STEVE: You give, and you tell me that. You

22 give me the time to speak, but then you keep on

23 repeating the same statements. This was the way Dick

24 was. This is the way the majority have been.

25 JOHN-2: No, I think --

STEVE: It's like that there's no ears to

1 | hear.

2 |           JOHN-2: Well, I think Jim, Jim listened real  
3 | carefully to you and that's, we want to move on from  
4 | wherever the points that were left off with were good  
5 | things --

6 |           STEVE: What time do you have there John?

7 |           JOHN-2: I've got 7:26.

8 |           STEVE: It's a little bit early for me yet  
9 | because a lot of us, we, there's, the majority of us  
10 | stay awake and watch and look through the night than at  
11 | any other times, so --

12 |           JOHN-2: What's David doing?

13 |           STEVE: He's sleeping.

14 |           JOHN-2: He's sleeping now?

15 |           STEVE: Exactly.

16 |           JOHN-2: Okay. When do you expect him --

17 |           STEVE: Try me at 9:00 or thereabouts.

18 |           JOHN-2: I'll talk to you a little later.

19 |           STEVE: Okay.

20 |           JOHN-2: Bye-bye.

21 |           STEVE: Bye.

22 |           [gap]

23 |           STEVE: Hello.

24 |           JOHN-2: Steve?

25 |           STEVE: Yes.

          JOHN-2: Are you awake?

1 STEVE: Who am I speaking with?

2 JOHN-2: John again.

3 STEVE: What's up?

4 JOHN-2: Yeah, okay. Here's, here's what I'd  
5 like to talk to you about. The people outside are  
6 seeing what they believe to be a fifty -- 5-0 --  
7 caliber barrel from that hole, and the barrel is facing  
8 back to the rear of the house from the hole on the  
9 northside, on the construction side there.

10 STEVE: Believe me they're seeing things. I,  
11 I checked it out. It's not so.

12 JOHN-2: Okay, what, what they're saying to  
13 us is that --

14 BACKGROUND VOICE: -- pointing to the  
15 northeast. Whatever it is --

16 JOHN-2: Pointing to the northeast, so --

17 BACKGROUND VOICE: It has to be moved.

18 STEVE: Pointing to the --

19 JOHN-2: To the northeast from a hole in the  
20 wall.

21 STEVE: I went up there and looked around and  
22 I, there was no such thing.

23 JOHN-2: Okay. Did you see that hole in the  
24 wall?

25 STEVE: No, I didn't.

JOHN-2: Okay, what is, what's sticking out

1 | then?

2 |               STEVE: Nothing. From what I was told, you  
3 | told me at the end of the building, I looked around  
4 | there --

5 |               JOHN-2: You personally looked around  
6 | yourself?

7 |               STEVE: Yes, I did.

8 |               JOHN-2: Yeah, and --

9 |               STEVE: And then I asked another person to  
10 | check just to make sure.

11 |               JOHN-2: And you didn't see anything sticking  
12 | out?

13 |               STEVE: Nothing at all. I mean, literally  
14 | nothing.

15 |               JOHN-2: Okay. We've, -- did you see that  
16 | hole, that hole in the wall itself?

17 |               STEVE: No, I did not. I saw no hole.

18 |               JOHN-2: Okay, do you know the window in the,  
19 | let's see, it's overlooking the construction site, it  
20 | --

21 |               STEVE: So, you're saying it's the end of the  
22 | building. Not at the front or the back, but it's at  
23 | the very --

24 |               JOHN-2: Okay, it's the very, very north end  
25 | of the building. So if you were facing the front door,  
   | it would be at the extreme left side of the building.

1 Okay, so if you were actually in the window or looking  
2 out of that hole, you would be looking at that new  
3 construction area.

4 STEVE: So, okay, --

5 JOHN-2: Kind of at the pit there.

6 STEVE: I'll go try to check it out one more  
7 time.

8 JOHN-2: Thank you very much. Thank you. I  
9 appreciate it very much.

10 STEVE: Okay, bye.

11 [gap]

12 STEVE: Hello.

13 JOHN-2: Steve?

14 STEVE: Um-hum.

15 JOHN-2: John, how are you doing?

16 STEVE: The same.

17 JOHN-2: Okay, you took a walk up there?

18 STEVE: Yeah.

19 JOHN-2: And what did you see?

20 STEVE: There was absolutely nothing.

21 JOHN-2: Okay, what we understand --

22 STEVE: What's up then?

23 JOHN-2: Okay, what we understand from the  
24 guys are out front, is that it's a barrel. Apparently  
25 there's some, apparently they can see in the sunlight  
there, a barrel of a .50 caliber weapon coming out of a

1 hole in the siding, and it's near the window but not  
2 the window itself. And it would be over the  
3 construction, it would be the last window as if you're  
4 --

5 STEVE: Unless, unless they're talking about,  
6 say, are they're talking about the metal water tower by  
7 chance?

8 JOHN-2: No, no, no. It's the other, it's on  
9 the, where the water tower is, if you were at the water  
10 tower, it would be to the right and it would be all the  
11 way over. In other words, if you were looking from the  
12 water tower, it would be the window that was furthest  
13 to the right on the upper level.

14 STEVE: There's nothing there.

15 JOHN-2: You physically went up there?

16 STEVE: Yes. There's nothing there.

17 JOHN-2: What, okay, what my guy, the guy  
18 outside there, this is being relayed of course, you  
19 know, by not, not the person directly, obviously, but  
20 what they're saying is that there's a hole to -- if  
21 you're looking at the window -- a hole to the left of  
22 the window, that's where the barrel of a .50 caliber  
23 weapon is sticking out of.

24 STEVE: Okay, the truth of the matter is,  
25 there is no such thing.

JOHN-2: There's no .50 caliber?

1 STEVE: There's no such thing as a .50  
2 caliber or even a broomstick sticking out anything out  
3 of that wall.

4 JOHN-2: Okay, and you personally --

5 STEVE: And when it comes to holes, yeah,  
6 there are holes in the walls of this building, but that  
7 was made by the ATF agents, of course.

8 JOHN-2: Okay, and there's no, there's  
9 nothing sticking out?

10 STEVE: And if they feel safe, you know, if  
11 they don't believe me, well, of course, they can always  
12 back off and get off the property as originally was  
13 agreed.

14 JOHN-2: Well, once again, on the --

15 STEVE: What do you think of that, John?

16 JOHN-2: If, if I were, if it were me I'd  
17 say, hey, let's you and I talk and get everybody out  
18 today. Those things will be off the property and there  
19 would be --

20 STEVE: You guys, you know what? I hate to  
21 tell you but you sound almost identical to the five  
22 guys before you. I'm starting to wonder if there's not  
23 a factory that stamps out these people.

24 JOHN-2: (laughs) I don't know. Yeah,  
25 that's maybe a good idea. That's, or a bad idea.

STEVE: When you go back, listen, when you go

1 back and you listen to all these tapes, listen to how  
2 much alike you guys sound. If, that would bother me to  
3 some small degree at least.

4 JOHN-2: Well, you know, part of the problem  
5 is that, the problem, the same problem remains, and I  
6 guess you and I probably talk about the problem a lot.

7 STEVE: Well is that, is it the problem that  
8 we're inside this building as we were two weeks ago? A  
9 month ago? A year ago? Is that the problem?

10 JOHN-2: No, that's not a problem. That's  
11 not, it's not a problem to be in a building. That's --

12 STEVE: In here, studying the bible, doing --

13 JOHN-2: Okay, excuse me --

14 STEVE: -- the things that we would normally  
15 do that are not out of the ordinary.

16 JOHN-2: Steve, let me just interrupt you for  
17 a minute.

18 STEVE: Yeah, please do.

19 JOHN-2: Okay, somebody just passed me a note  
20 and as of the moment we're speaking right this instant,  
21 that barrel is protruding from that hole by the window.

22 STEVE: Maybe God's point, maybe God's  
23 pointing a barrel at somebody out there because I'll  
24 tell you something, I, no physical eyesight, my  
25 eyesight's 20/20 at least, and there is no such thing.

JOHN-2: You were physically up in that room?

1 STEVE: There is no such thing there. It was  
2 checked and double checked.

3 JOHN-2: Okay, well, if you say it's not  
4 there, and they say it's there.

5 STEVE: Believe me, it's not there.

6 JOHN-2: Okay, what's, what's --

7 STEVE: How long have they been doing this  
8 thing? Is this the same thing that was supposedly seen  
9 yesterday when Jim called?

10 JOHN-2: No, Steve, no, that's a different  
11 thing.

12 STEVE: What about this woman looking out the  
13 window also with a balaclava and camouflage? What was  
14 that about?

15 JOHN-2: I don't know what happened on that.  
16 All I --

17 STEVE: Well take a look at the report  
18 'cause, there's no question you keep them, I know you  
19 do.

20 JOHN-2: Oh, of course, of course. A  
21 balaclava, I used to race cars, a balaclava is a thing  
22 you put over your head and your face to protect you  
23 from flames and stuff if you have an accident, so.

24 STEVE: I see. I didn't even know what it  
25 was.

JOHN-2: Yeah.

1                 STEVE: They said something about something  
2 black or a mask or something. I didn't know what he  
3 was talking about.

4                 JOHN-2: Yeah, kind of like a ski mask thing,  
5 you know.

6                 STEVE: Dick was so excited about that. You  
7 wouldn't have believed.

8                 JOHN-2: Um-hum.

9                 STEVE: It makes you wonder what the motive  
10 is or what the psychology is involved with all this.

11                JOHN-2: Is David still asleep?

12                STEVE: Yeah, he is.

13                JOHN-2: You know, you know --

14                STEVE: That's why I told you 9:00, you know,  
15 I mean, I could have, I suppose I could tell you all  
16 sorts of different times, but no, 9:00 would be more  
17 than likely a time that you might be able to converse  
18 with him.

19                JOHN-2: Okay. What's, what's going on in  
20 there?

21                STEVE: The usual, I guess.

22                JOHN-2: Okay.

23                STEVE: Some are sleeping, some are up.

24                JOHN-2: What's, when is the plans for the  
25 burial service today?

                 STEVE: I'm not certain yet because it was

1 | just decided last night that they would go and bury the  
2 | person.

3 |           JOHN-2: Okay.

4 |           STEVE: And they mentioned sometime late  
5 | morning, like, 10:00, 11:00, 12:00, somewhere in there.

6 |           JOHN-2: In the 10:00 to 12:00 range?

7 |           STEVE: Yeah.

8 |           JOHN-2: Okay, all right.

9 |           STEVE: And it would be clearly seen. The  
10 | guys will go out there and, probably right out front,  
11 | dig a whole and bury the person.

12 |           JOHN-2: Right, pretty much in front of the  
13 | front door?

14 |           STEVE: Um-hum.

15 |           JOHN-2: Okay.

16 |           STEVE: Or in front of the fence probably.

17 |           JOHN-2: Right by the fence?

18 |           STEVE: Yeah, well, there's, right near the  
19 | fence there's kind of a road with some gravel, so it  
20 | would probably be in front of that which is dirt.

21 |           JOHN-2: Okay, kind of between -- the road  
22 | like, where the, beyond where the vehicles are parked?

23 |           STEVE: Exactly.

24 |           JOHN-2: Okay. Over in the grassy part, or?

25 |           STEVE: Right, exactly.

          JOHN-2: Okay. There's like a trailer parked

1 | there or a white vehicle?

2 |           STEVE: There's, let's see, I believe you

3 | people left --

4 |           JOHN-2: Not me, not me.

5 |           STEVE: Well, okay, the ATF, they left a red

6 | truck and a white, I think it is -- what, some kind of

7 | a trailer.

8 |           JOHN-2: Like a trailer attached to it,

9 | right. I can see it.

10 |           STEVE: So that's there's. And I believe

11 | there's a white van of ours.

12 |           JOHN-2: Yeah.

13 |           STEVE: Of the people that were here.

14 |           JOHN-2: Um-hum.

15 |           STEVE: Somewhere beside that I would

16 | imagine.

17 |           JOHN-2: Beside the white van?

18 |           STEVE: Um-hum.

19 |           JOHN-2: Okay. Right in that grassy area?

20 |           STEVE: Exactly.

21 |           JOHN-2: Okay. Do you know, you're gonna

22 | have, two, three, out there doing it?

23 |           STEVE: That sounds about right.

24 |           JOHN-2: And then looking some time in that

25 | 10:00 to 12:00 range?

          STEVE: Um-hum.

1 JOHN-2: Okay. And what, David gonna decide  
2 who's going to do that when he gets up or who the  
3 gentlemen are that's gonna --

4 STEVE: Well, we'll get it together.

5 JOHN-2: Okay. Are you gonna come out  
6 yourself and pay respects?

7 STEVE: Probably, probably not.

8 JOHN-2: No? Okay. Okay, I'll be back in  
9 touch with you and just try to get a, get some new life  
10 into, you know, you and I and David and moving ahead  
11 and moving off the stalemate. Let's see if we can re-  
12 institute the things that Jim had going and hopefully  
13 we'll get this resolved safely.

14 STEVE: Okay.

15 JOHN-2: Okay.

16 STEVE: Sound good.

17 JOHN-2: Talk to you, Steve.

18 STEVE: Okay, bye.

19 [gap]

20 JOHN-2: Is David there?

21 STEVE: He's still not around. I just called  
22 for him about two minutes ago.

23 JOHN-2: Is he still sleeping, or?

24 STEVE: Yeah, he is.

25 JOHN-2: Okay. Is there any chance you could  
wake him up? There's a couple of things --

1 STEVE: Well, I just tried to. That's what  
2 I'm saying. I just, about two or three minutes ago I  
3 called him fairly loud and he's not moved so I guess  
4 I'll just give him a little bit yet.

5 JOHN-2: He's not moving? He's got to be  
6 out.

7 STEVE: Right. Yeah.

8 JOHN-2: Were there any more plans on the  
9 service?

10 STEVE: Any plans on the which?

11 JOHN-2: Service? The burial service?

12 STEVE: I haven't been able to talk to him  
13 about it yet and that's what I wanted to do.

14 JOHN-2: Okay. Do you know if the infant was  
15 going to be buried also today?

16 STEVE: I don't know. I'll try to find out  
17 about that.

18 JOHN-2: All right. Are you going to wake  
19 him up then shortly?

20 STEVE: I'm going to give him a call in about  
21 another half hour or so.

22 JOHN-2: Okay.

23 STEVE: I'll tell you what I'll do. I'll  
24 call you as soon as he wakes up.

25 JOHN-2: I would appreciate that. We'd  
really like to talk to David about the funeral

1 services.

2 STEVE: I realize that.

3 JOHN-2: Yeah, as you can understand.

4 That's, that's a significant event and I think we  
5 should just talk about that and try to understand it,  
6 you know?

7 STEVE: Okay.

8 JOHN-2: So that, that's really all we're  
9 looking to do.

10 STEVE: All right.

11 JOHN-2: Okay. How, hopefully by 9:20 maybe?

12 STEVE: Well, I don't know. I don't know,  
13 you know, I'm just gonna keep on try -- keep an eye on  
14 him and I'll call to him every now and then and see if  
15 he's gonna wake. You know, you know, just because of  
16 his condition, you know, I mean, normally it wouldn't  
17 be like that but I guess he's needing more rest than  
18 usual.

19 JOHN-2: Did he, did he try to walk or what?

20 STEVE: From what they tell me yesterday,  
21 when I was away from the area, apparently he tried to  
22 sit up and stand up or something and make him move. I  
23 don't know, I guess it must have taken a lot of energy  
24 out of him.

25 JOHN-2: I know. I guess he was trying to  
walk or something I heard, and I don't --

1 STEVE: That's what it sounds like to me.  
2 JOHN-2: Yeah. Did, did it take, did he  
3 actually get up and get moving?  
4 STEVE: That's what, it was rumored but I, I  
5 was going to talk to him about it and then he got on  
6 the phone with John, so I never did get back to him on  
7 that. When I came up to talk with him he was on his  
8 back laying.  
9 JOHN-2: And he's still out?  
10 STEVE: Yes, he still is.  
11 JOHN-2: Okay. Would you do me a favor then  
12 and give me a buzz when he gets up?  
13 STEVE: I will for sure.  
14 JOHN-2: Okay, and hopefully it'll be in the  
15 near future, you think?  
16 STEVE: Exactly.  
17 JOHN-2: Okay.  
18 STEVE: Okay.  
19 JOHN-2: Thank you.  
20 STEVE: Sure, bye.  
21 JOHN-2: One sec, one sec. I just,  
22 somebody's passing me a --  
23 [gap]  
24 STEVE: Hello.  
25 JOHN-2: Steve?  
STEVE: Yes.

1 JOHN-2: This is John. How are you doing?

2 STEVE: I'm still working on it.

3 JOHN-2: You're still working on it?

4 STEVE: Yeah.

5 JOHN-2: What's David's condition? He's  
6 still asleep?

7 STEVE: He's, yeah he still is. Apparently  
8 he's still trying to recover and I guess -- well, I've  
9 called him a few times.

10 JOHN-2: What's, is he just kind of groggy?

11 STEVE: Yeah, well, he's not even that. He  
12 didn't even answer me at all.

13 JOHN-2: He's really --

14 STEVE: So, he's not even moved and, --

15 JOHN-2: Okay.

16 STEVE: I thought I'd give him a little more  
17 time to, to catch up on some sleep.

18 JOHN-2: Yeah, I guess he got to bed  
19 relatively early last night compared to some of the  
20 other nights from what they've been talking --

21 STEVE: Oh, yeah, compared to, but I don't  
22 know what time he dozed off or anything 'cause he had  
23 problems, you know.

24 JOHN-2: Yeah, yeah.

25 STEVE: So I guess, like I told you, I'll  
definitely call you back as soon as -- I'm waiting to

1 | communicate with him myself about a lot of things.

2 |           JOHN-2: Yeah. I'm sure you've got a list  
3 | of, of items that you've got pending like I do.

4 |           STEVE: I do.

5 |           JOHN-2: Get some things resolved here.

6 |           STEVE: Right.

7 |           JOHN-2: Hopefully we can get today off to a  
8 | good start between all of us.

9 |           STEVE: We'll definitely try.

10 |           JOHN-2: Yeah, me too.

11 |           STEVE: Okay, I'll call you right back when I  
12 | can.

13 |           JOHN-2: Thank you.

14 |           STEVE: Sure, thanks.

15 |           [gap]

16 |           STEVE: Hello.

17 |           JOHN-2: Hello, Steve, John again. How are  
18 | you doing?

19 |           STEVE: Yes...

20 |           JOHN-2: Good. David still asleep?

21 |           STEVE: He's busy at the moment. He woke up  
22 | but it'll, it'll be a few minutes yet.

23 |           JOHN-2: Okay, you guys are working on the  
24 | funeral arrangements?

25 |           STEVE: Yes, I haven't quite started. He  
just woke up and so he's got to tend to a few personal

1 | needs, I guess.

2 |           JOHN-2: Well, I can understand that  
3 | completely.

4 |           STEVE: Yeah.

5 |           JOHN-2: Yeah. So what, do you have any, any  
6 | tentative times for the funeral arrangements, funeral  
7 | services?

8 |           STEVE: I just started mentioning it to him.  
9 | He said just give me a moment here to take care of  
10 | myself a little bit. And I says, okay, I'll do that --

11 |           JOHN-2: Okay.

12 |           STEVE: -- and so, -- then I wanted to talk  
13 | to him and give you a call.

14 |           JOHN-2: All right, I appreciate that. So  
15 | you don't have any plans for coming out?

16 |           STEVE: Just a minute. He said just a couple  
17 | of guys'll end up burying him in a small, very small  
18 | service.

19 |           JOHN-2: Oh, I understand, and that's, as you  
20 | and I discussed, by that white van.

21 |           STEVE: Right. By the right hand side of  
22 | that I would imagine.

23 |           JOHN-2: Facing your front then?

24 |           STEVE: Just a minute. (To the background)  
25 | Where did you want him buried, just over by Mike's van  
maybe? (indiscernible) Yeah.

1 STEVE TO JOHN-2: Yeah, somewhere around  
2 there.

3 JOHN-2: Okay. Okay. And you'll, you'll  
4 decide with David how it's going to go?

5 STEVE: Um-hum.

6 JOHN-2: And you'll call me before anybody  
7 comes out or anything like? David and I will hopefully  
8 discuss all those arrangements.

9 STEVE: I'll give you a call.

10 JOHN-2: Oh, okay, thank you very much.

11 STEVE: Sure, bye.

12 JOHN-2: Bye.

13 [gap]

14 STEVE: Hello, John?

15 JOHN-2: Hello. Hold on a second here. Hold  
16 on. Hello?

17 STEVE: Hello, John?

18 JOHN-2: Yes.

19 STEVE: Yeah, we've got three guys here that  
20 are going to take the body out there, start digging a  
21 hole and then place the body in and probably say a word  
22 or something.

23 JOHN-2: Okay, three -- let's go slow on this  
24 now.

25 STEVE: Okay.

JOHN-2: There are three, three men that are

1 going to exit, how -- what time are we talking about  
2 doing this?

3 STEVE: They're about ready to do that now.s

4 JOHN-2: Well, just, just, let's hold off and  
5 let's go slow so we can get everyone notified and, you  
6 know, --

7 STEVE: Call me when you're ready.

8 JOHN-2: No, no, just a minute. All right,  
9 we got three men gonna go out. They're going to bring  
10 shovels?

11 STEVE: I would, yeah, because it's hard to  
12 dig any other way without them.

13 JOHN-2: Okay, and, obviously no weapons?

14 STEVE: Obviously.

15 JOHN-2: Right. Okay, and they're going to  
16 go outside to the --

17 STEVE: (To the background) He says, are  
18 they going to bring shovels and I said yeah.

19 JOHN-2: Okay. And they're going to go by  
20 the white van?

21 STEVE: Yes.

22 JOHN-2: Okay, and as we're, that'll be kind  
23 of like between the, as you were looking out, it will  
24 be to the left of the white van as you're looking out  
25 of the building?

STEVE: Yes.

1 JOHN-2: Okay. Okay, let's just, we'll go  
2 slow and, how soon do you think that they're gonna go  
3 out?

4 STEVE: They're ready to go now.

5 JOHN-2: Okay. Let's just wait a couple of  
6 seconds and make sure that everyone gets notified and  
7 everyone is safe. I care about your people.

8 STEVE: Okay, go ahead.

9 JOHN-2: I don't want anybody to get hurt in  
10 any slight way at all.

11 STEVE: All right.

12 JOHN-2: Is David up?

13 STEVE: He's awake.

14 JOHN-2: Okay, he's awake. How's he feeling?

15 STEVE: (To background) How're you feeling?

16 STEVE TO JOHN-2: He says you don't need to  
17 worry about it.

18 JOHN-2: Okay. Tell him that I would like to  
19 eventually speak to him this morning if that's  
20 possible.

21 STEVE: (To the background) He's saying he  
22 would eventually like to speak with you this morning.  
23 (indiscernible)

24 STEVE TO JOHN-2: He says he's already talked  
25 to five.

JOHN-2: Okay. Well, I'm the new guy, so --

1 STEVE: (To the background) He says, I'm the  
2 new guy. (indiscernible)

3 JOHN-2: Okay, Steve?

4 STEVE: Yes.

5 JOHN-2: Okay, any time you guys would like  
6 to go ahead out, please proceed.

7 STEVE: Okay, I'll call you back when we're  
8 done.

9 JOHN-2: Thank you.

10 STEVE: Sure.

11 [GAP]

12 RACHEL: Hello.

13 JOHN-2: Hello. Hi. This is John. Who's  
14 this?

15 RACHEL: Rachel.

16 JOHN-2: Rachel, how are you today?

17 RACHEL: Fine.

18 JOHN-2: Is the burial service over, do you  
19 know?

20 RACHEL: I, almost, I think they were trying  
21 to get some flowers for it.

22 JOHN-2: Okay --

23 RACHEL: Did you see them come out with the  
24 flowers?

25 JOHN-2: No, I did not see that. Is that, do  
you know if they're doing that now, Rachel?

1 RACHEL: Yeah, they, they dug the hole and  
2 covered it up and I think they were bringing some  
3 flowers out.

4 JOHN-2: They were going to do that?

5 RACHEL: Um-hum.

6 JOHN-2: Okay. Excuse me. Do you know if  
7 they have located the flowers or have they placed them  
8 on the grave or if they were just about to do that.

9 RACHEL: I don't know that but Steve is  
10 coming so he can talk to you.

11 JOHN-2: Okay.

12 RACHEL: Okay?

13 JOHN-2: Is David around?

14 RACHEL: He's busy at the moment.

15 JOHN-2: Okay.

16 RACHEL: (To the background) Is he coming?  
17 Okay.

18 RACHEL TO JOHN-2: He'll be with you in a  
19 moment.

20 JOHN-2: Thank you very much.

21 STEVE: Hello.

22 JOHN-2: Steve?

23 STEVE: Yeah.

24 JOHN-2: How did the service go?

25 STEVE: Okay.

JOHN-2: Okay.

1 STEVE: I believe they just finished.

2 JOHN-2: Okay, are they, did they place  
3 flowers on the grave?

4 STEVE: Yeah, they did.

5 JOHN-2: Okay.

6 STEVE: They just did that.

7 JOHN-2: And that's all done?

8 STEVE: Right.

9 JOHN-2: So the service, as well as the  
10 placement of flowers and so on is all concluded, huh?

11 STEVE: Correct.

12 JOHN-2: Okay, good. How's everything going  
13 in there?

14 STEVE: Some of the nurses here are taking  
15 care of him right now, so.

16 JOHN-2: Okay, what's, has he had a  
17 recurrence of that wound or problem?

18 STEVE: Yeah, they're, they're, they're  
19 cleaning the bullet wound right now.

20 JOHN-2: Which -- the arm wound or the  
21 through and through?

22 STEVE: No, the one by the abdomen.

23 JOHN-2: Abdomen? Okay. Is that, is that  
24 color okay on it?

25 STEVE: In fact there's, there's two of them.

JOHN-2: Okay. Is the color okay on the

1 wound or what?

2 STEVE: (To the background) Is the color  
3 okay on the wound?

4 STEVE TO JOHN-2: See, I wouldn't know. One  
5 of the nurses will talk to you in a minute.

6 JOHN-2: Okay, sure.

7 STEVE: In fact, I'll leave the phone right  
8 here and as soon as they finish they'll --

9 JOHN-2: Okay, very good.

10 STEVE: Just one moment.

11 JOHN-2: Sure.

12 (Background discussions indiscernible)

13 JULIEN: Hello.

14 JOHN-2: Hello?

15 JULIEN: Yes, can I help you?

16 JOHN-2: Hi, this is John. Who's this?

17 JULIEN: Pardon?

18 JOHN-2: This is John, who's this?

19 JULIEN: Oh, hi, John.

20 JOHN-2: Hi, how are you?

21 JULIEN: Oh, fine.

22 JOHN-2: Okay. Who's this?

23 JULIEN: I'm the nurse.

24 JOHN-2: You're the nurse?

25 JULIEN: Yes.

JOHN-2: Is this Julien?

1 JULIEN: Yes.  
2 JOHN-2: Okay. How's David doing?  
3 JULIEN: Well, he's much improved.  
4 JOHN-2: Good.  
5 JULIEN: The bullet wound is healing nicely.  
6 JOHN-2: Excellent. Very good.  
7 JULIEN: Yes, huh-huh.  
8 JOHN-2: How's his pulse and pressure?  
9 JULIEN: His pressure?  
10 JOHN-2: Yeah.  
11 JULIEN: His blood pressure.  
12 JOHN-2: Blood pressure.  
13 JULIEN: Oh, yes, it's 120 over 80.  
14 JOHN-2: Very good, excellent. Okay, and his  
15 wrist wound is better?  
16 JULIEN: Yes, it is.  
17 JOHN-2: Great. Has he been able to move or  
18 walk a little bit?  
19 JULIEN: Well, he's, he's been eating. He's  
20 been, just having light, light meals, you know, on a  
21 light diet.  
22 JOHN-2: Right. How about walking, can he  
23 walk?  
24 JULIEN: Well, just a minute. (Background  
25 discussion indiscernible)  
JULIEN TO JOHN-2: Just a little bit.

1 JOHN-2: Just a little bit, good.

2 JULIEN: You know --

3 JOHN-2: Okay, very good. Well --

4 JULIEN: Exercising his legs, you know.

5 JOHN-2: Excellent.

6 JULIEN: Moving his toes around and, you

7 know.

8 JOHN-2: Good, good.

9 JULIEN: Yeah.

10 JOHN-2: Well, I'm very, very glad to hear  
11 that. Please tell him that I'm glad to hear that --

12 JULIEN: All right.

13 JOHN-2: And that I'll hope to talk to him  
14 later in the afternoon.

15 JULIEN: All right.

16 JOHN-2: Thank you, Julien.

17 JULIEN: You're Jim, you said?

18 JOHN-2: No, John.

19 JULIEN: Oh, John.

20 JOHN-2: Yes.

21 JULIEN: Thank you, very much.

22 JOHN-2: Thank you.

23 JULIEN: Bye.

24 JOHN-2: Bye-bye.

25 JULIEN: Bye.

[GAP]

1 JOHN-2: Hello?

2 UNIDENTIFIED SPEAKER: Yes -- is this the  
3 Treemont residence?

4 JOHN-2: Is this who?

5 UNIDENTIFIED SPEAKER: Ronald Treemont?

6 JOHN-2: Which?

7 UNIDENTIFIED SPEAKER: Treemont?

8 JOHN-2: Treemont what?

9 UNIDENTIFIED SPEAKER: Is this the Treemont  
10 residence?

11 JOHN-2: No, ma'am, I'm sorry, you have the  
12 wrong number.

13 UNIDENTIFIED SPEAKER: Is this 799-0545?

14 JOHN-2: That's not the Treemont residence.

15 UNIDENTIFIED SPEAKER: Oh, okay. Sorry.
